'Tom Sawyer' this evening at the MSU Center

Join Morgan County Middle and High School students this evening, May 11 at 7:00 p.m. for their annual spring musical. This year, they explore the mighty Mississippi River in the 1800's as seen through the eyes of Samuel Clemens and the one and only Tom Sawyer. The musical version is based on Twain's novel about a 14-year-old boy in 1840 Missouri on the banks of the Mississippi River. Bring your imagination and be part of the adventure!

Random drug tests for schl. employees to start in 2006-07

The board of education adopted an employee drug-testing program at its meeting Monday and Supt. Joe Dan Gold was authorized to advertise for bids for its implementation and operation in time for the 2006-2007 school year.

In other action, the board revised the employee salary schedule to reflect a 2 percent salary increase for all employees next year, as mandated by the state legislature.

The board also took steps to begin work on a proposed athletic field house at Morgan County High School. The project, which will be financed by the board of education, will include a facil-

ity to house a weight room, dressing rooms, at the high school practice field.

Supt. Gold said work approved earlier for renovation of the high school football field at Herdman Field and renovation of the high school track, addition of a building at Herdman Field to house a dressing room for visiting teams, a new press box, etc., along with new bleachers has been put on hold. The projects were among those funded by coal severance tax funds that were vetoed by the governor. The county's coal severance funds remain intact, but the board will have to reapply for the money, Gold said.

City announces crack down on noise violations

Complaints have prompted West Liberty officials to crack down on violations of an ordinance enacted in 2001 prohibiting unlawful noises, including "motor vehicles equipped with sound amplifying devices that can be heard at a distance of 50 feet by another human being."

A West Liberty Police Department spokesman said Monday that officers have begun issuing citations for violations of this ordinance.

A copy of the ordinance is published in the Legals section of this week's Courier. Copies of the ordinance also will be posted on bulletin boards in prominent locations throughout the city and they they may also be obtained at City Hall.

Any citizen that has questions concerning the ordinance or complaints is asked to contact the West Liberty Police Department at 606-743-4385 or the Major's Office at 606-743-3330.

50 Morgan County veterans to get high school diplomas

A Morgan County Veterans Graduation Ceremony will be held Sunday, May 28, at the MSU Center at Index at 3:00 p.m.

Fifty Morgan County veterans will receive their high school diplomas. These are World War II, Korean, and Vietnam War veterans who left high school early to serve their country in

their nation's time of need.

The public is invited to attend to help honor the veterans and their families.

The special graduation ceremony is being hosted by the Morgan County Disabled American Veterans Chapter, the Morgan County Board of Education, and the Morgan County Judge Executive's Office.

Postal patrons asked to help carriers with local food drive Sat.

The National Association of Letter Carriers, in conjunction with the United States Postal Service, will be collecting non-perishable food items such as canned meats and fish, canned soup, juice, pasta, vegetables, cereal and rice this Saturday, May 13, to help families in need in our community.

According to West Liberty Postmaster Eddie Negron, you can help by placing your food donation at your mailbox on May 13 before your letter carrier arrives. It will be taken to the Post Office and then delivered to the local food bank. Please do not include items with expired dates or items in glass containers.

The food drive includes the following areas: West Liberty, Cannel City, Crockett, Elkfork, Ezel, Malone, Mize, Ophir, Grassy Creek, and Hazel Green. You may also drop off your donations at any of the above post offices anytime between now and Saturday, May 13, 2006.

Postmaster Negron said Monday he wished to thank local food donors in advance, suggested that you visit www.stampouthunger2006.com

"Not one family, should go without food," Negron said.

Seatbelt violations to be targeted by W. L. police dept.

The West Liberty Police Department announced this week that beginning May 14, West Liberty police officer, in conjunction with state and other local law enforcement agencies, will participate in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's Enforced" campaigns.

During the period May 14 through June 4, patrols will focus greater attention on traffic violations, especially safety belt usage, according to a police department spokesman.

Primary election is next Tuesday with 66 names on ballot

New voting machines to be in use first time; 59 seek local offices

Morgan County voters will go to the polls next Tuesday, May 16, to select from a total of 63 candidates seeking the Democratic nomination for county offices, state representative, and U.S. representative, plus three candidates in a non-partisan race for circuit court judge.

Voters will be using new electronic voting machines for the first time Tuesday and election officials have added two additional poll officers in each precinct to instruct voters on how to use them.

Several observers and candidates have expressed concern that, despite the large number of local races, many voters are uncomfortable with the thought of having to learn how to use the new on-screen digital voting machines and may hesitate to go to the poll for that reason.

But the machines are simple to use and Morgan County Clerk Randy Williams said the addition of extra poll officers at each voting place should make voting a simple and easy experience.

Sample ballots — facsimiles of the ballots that will appear on the voting machines in each of the county's five

magisterial districts — are published elsewhere in this week's edition. Williams said voters should familiarize themselves with them and if they have any questions they should call his office at 743-3949 or stop by his office in the County Government Building on Prestonsburg Street, where one of the new voting machines is available for demonstration.

Polling places will open next Tuesday at 6:00 a.m. and close at 6:00 p.m.

Candidates in the primaries are listed below in the order in which their names will appear on the ballot:

U.S. Representative — Kenneth Stepp and James W. Tapley.

State Representative — Larry B. Brown and John Will Stacy.

Sheriff — Deborah Sparks, Timothy Paul (Tim) Keeton, Mickey Whitt, Roger Benton, W. Keith Callahan.

Jailer — Darrell Patrick, Jimmy Darrell Easterling, Phillip "Hoggie" McGuire, Raymond VanCleave, Sammy Cantrell.

Coroner — Jody Oldham, Jason D. James, Greg Bush, Jody L. McClurg, Kenny "Gravedigger" Perry, Charles H. "Charlie" Perry.

Magistrate Dist. 1 — Denzil Potter, Glenn Jones, Ronnie Williams, Chris Adams, George Weddington, James B. Sargent Jr.

See ELECTION Page 9

Polling places changed for 8 of county's 12 precincts next Tuesday

The polling places in eight of Morgan County's 12 voting precincts have been moved to new locations as a result of new federal legislation to insure that all voting machines and all voting locations are handicapped accessible.

The law stipulates that all voting equipment and polling locations be in compliance with the new law by the first federal election in 2006.

Morgan, one of six counties in the state still using the old lever-type voting machines at the last election, had to purchase new voting equipment and move the voting locations into government or school buildings that are handicapped accessible.

County Clerk Randy Williams said the new voting machines are easy to use and each precinct will have two voting machines, instead of only one as in the past, Williams said.

In addition, he said, each precinct will have two additional election officers on duty at the upcoming election to instruct voters before they cast their votes.

Williams urged voters to stop by his office in the County Government Building and see how the new voting machines are operated. A machine is available for demonstration and practice during normal business hours (Monday Friday 8:00 a.m.-4:00 p.m. and Saturday 8:00 a.m. to noon).

Voters who are not going to be in the county on Election Day during voting hours (6:00 a.m.-6:00 p.m.) can vote on the absentee machine in the Clerk's Office. The absentee machine was opened for voting on Saturday, April 29, and will

be available for voting during normal business hours through Monday, May 15.

Williams said other voters who are physically unable to stand in line or are disabled may call the Clerk's Office to request a paper absentee ballot be sent to them by mail.

Williams urges anyone who has any questions regarding the election, the voting machines, or who wishes to request an absentee ballot to call the Clerk's Office at 743-3949.

Polling locations for each of Morgan County's 12 voting precincts at the May 16 primary election are as follow:

A memorial service was held April 8, at Shadow Mountain Mortuary, in Phoenix, Arizona.

In lieu of flowers, Debbie requested that memorial contributions be made to Breast Cancer Foundation.

GOD'S GIFT

This is dedicated to my daughter, Joy, on Mother's Day, May 14th.

A mother is like an angel sent from Heaven above. She has a beauty deep inside, a beauty known as love, a Mother's eyes are like the stars that sparkle oh so bright. so full of warmth and tenderness for her child, both day and night. Her voice is like the music from the harps the angels pay. It's always filled with kindness for her child in every way. Her hands are like the Christ child's, So dainty yea, so strong. They soothe, protect, and help her child. They keep it from all wrong. A mother is like the Bible. She stands for all things good. I'm sure that God has truly made the greatest thing He could. I'm thankful for a mother's love. So warm, so kind, so true. I pray to God on knees each night to give thanks for her. Do you?

My Mother's Garden

My Mother kept a garden, a garden of the heart,
She planted all the good things that gave my life its start.

She turned me to the sunshine and encouraged me to dream,
Fostering and nurturing the seeds of self-esteem.

And when the winds and rain came, she protected me enough~
But not too much because she knew I'd need to stand up strong and tough.

Her constant good example always taught me right from wrong. Markers for my pathway that will last a lifetime long.

I am my Mother's garden.
I am her legacy~ and I hope today she feels the love reflected back from me.

Only My Opinion

By Richard Stamper

The President of Mexico will not discourage his people from coming to the U.S.A. and working illegally! Why? Because these illegal workers send billions of American dollars back to Mexico to their families each year. It's a big part of Mexico's economy. It's big bucks for him. But Mexico also has a Southern Border, and every day hundreds of illegal immigrants enter Mexico from Guatemala, Honduras, El Salvador and Points South. Most of these people are trying to just cross Mexico to get

to the U.S.A. But Mexico wants its people up here sending dollars back to Mexico. Not other people sending dollars back to Guatemala.

Mexico wants us to welcome its illegal workers with open arms. They want our money, but how does the Mexican Government treat their illegals on their Southern Borders?

Mexico has a large Southern Border Patrol. Over half of its Army. When an illegal is caught entering Mexico, here is what happens. Men are beaten and often executed with a bullet to the back of the head. Women are publically strip searched and some are gang raped to death.

All men, women and children are sent to Mexican prisons for two years at hard labor. No trial, they are just sent to prison.

If they live through this, then their broken, sick, raped bodies are sent back South across the Mexican Border in box cars.

Mexico wants us in the U.S.A. to welcome their illegals with open arms. Mexico kills, rapes and imprisons its southern illegals.

Now you know some facts, make up your own mind as you see fit. I report, you decide.

State Police to step up traffic stops, patrols

Capt. Keith Craycraft, Commander of the Kentucky State Police Post at Morehead, announced this week that troopers will be conducting safety checkpoints and moving patrols throughout the Post 8 area throughout the month of May.

During the Memorial Day weekend holiday period, Friday, May 26, through Monday, May 29, additional emphasis will be placed on the "Buckle Up Kentucky" program.

The "Buckle Up In Your Truck" campaign begins May 14 and continues through June 5.

This concentrated enforcement effort will utilize members of the Selectivetraffic Enforcement Program (STEP) in addition to other troopers assigned to Post 8. Emphasis will focus on enforcing violations of the speeding, seatbelt, child restraint, and impaired driving laws, as well as other violations of traffic and criminal laws.

Capt. Craycraft said anyone who spots a drunken or reckless driver or other traffic violation, observes a collision or traffic hazard should report the incident by dialing toll-free 1- 800-222-5555.

The West Liberty Police Department, in conjunction with state and other local law enforcement agencies, will participate May 14, 2006, through June 4, 2006, in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's It's Enforced" campaigns. During this period, patrols will focus greater attention on traffic violations, especially safety belt usage.

Thomas J. Buskirk, 50, merchant and farmer at Buskirk, this county, died shortly after 5 p.m. Wednesday following a heart attack suffered at the Clay No. 1 Tobacco Warehouse in Lexington where he was selling a crop of tobacco.

Mr. Buskirk was pushing a duck bill in the warehouse when he collapsed, apparently from a heart attack. The Lexington fire department life-saving squad administered treatment with an artificial inhalator for 35 minutes before the Morgan county man was pronounced dead by a physician.

LOCAL FIREFIGHTERS SAY THANK YOU

Morgan County's volunteer firefighters thank the Morgan County Woman's Club for their annual appreciation dinner for the volunteers and their families.

Elect Tommy Fannin Magistrate District 3

As a life-long Democrat resident of Morgan County, I'll be the first to tell anyone what a beautiful county we live in. Through the years, I have seen many changes. I also see areas where improvements can & need to be made. It's time for new ideas & new faces. That's why I'm asking for your help next Tuesday. On May 16th, I ask you, the voters of District 3, to step out and make a change! Elect me as your next magistrate.

We need:

- Someone who can represent this district & make fair, unbiased decisions.
- Someone who knows the entire county as well as our own district.
- Someone who is not afraid to roll up their sleeves & work hard for you.
- Someone who is willing to work with & not against other elected county officials.

That someone is Tommy Fannin for Magistrate of District 3!

#5 on the ballot, #1 for YOU!

Wallaces celebrate 60th wedding anniversary

Mr. and Mrs. H.A. Wallace

Margaret and H.A. Wallace enjoyed an early celebration of their 60th wedding anniversary the weekend of March 10, 2006. The Wallaces, originally from Silver Point, Tennessee, were married in Rossville, Georgia, on May 12, 1946. They, along with their daughter, Barbara, moved to Morgan County in 1949.

Family members enjoyed the weekend including luncheon on

Saturday, March 11, at Natural Bridge State Park. Joining in the celebration were their four children: Barbara and John Motley, West Liberty; Bill and Wanda, Hillsborough, North Carolina; Nancy and Phillip Ison, who are, respectively serving in the U.S. Army in Italy and US Coast Guard, recently transferred to Louisville, Ky.; and Robert and Cheryl, Fishers, Indiana. Grandchildren who were unable to be there are David Stiger, a student in Spain, and Abby Stiger, attending college in Charlotte, North Carolina. Great-grandchildren also celebrating included John Clark Gunnell, West Liberty, and Lily Gardner, Charlotte, North Carolina. Margaret and H.A. were very pleased that his brother, Harold and wife, Berneaze, of Lexington, joined them for lunch at Natural Bridge.

Congratulations, Mom and Dad!

Graduates from LCC's nursing pgm.

Perdita Lee Prater Wireman

Congratulations to Perdita Lee Prater Wireman on her May 4th graduation from Lexington Community College.

Perdita is married to Kash Wireman and they reside at Malone. She is the daughter of Reeca Prater, of Cannel City, and the granddaughter of Reece Prater (deceased) and Mabel and Burnice Nickell, also of Cannel City. Perdita is the niece of Louise Martin, Martha Stacy, Sue Perkins, and John Prater.

She graduated from LCC's nursing program and is now a registered nurse. We would also like to congratulate her on being the recipient of the Clinical Excellence award. Her intentions are to work at UK Hospital after a well deserved break.

Marling Potter Announces Retirement As Coroner; Endorses Greg Bush

I would like to take this opportunity to announce my retirement as Morgan County Coroner effective at the end of the year. I would like to thank the good people of Morgan County for allowing me to serve as Coroner for the past 29 years. Your faith in me to hold this very important position was very appreciative and will not be forgotten. In my 29 years as Coroner, I conducted the office with dignity, courtesy, compassion and respect for the family's wishes.

With my retirement, I would like to ask for your vote and support for my Deputy and son-in-law, **GREG BUSH**. Greg has worked in the Coroner's Office 13 years, with the past 6 years as my Deputy Coroner. Greg has proven himself to be **PROFESSIONAL**, courteous, compassionate, hardworking, and respectful. Greg has the experience, knowledge and education that a Coroner needs.

On May 16th I ask that you consider **GREG BUSH** worthy of your vote. Your vote will be greatly appreciated.

A child's love of learning begins with reading aloud

(NAPSA)—Reading aloud may be the single most important activity parents do with their child.

That's because a child who is read to is more likely to enjoy reading and will want to learn to read. Once a child becomes pas-

sionate about reading-he or she will have the opportunity to enjoy a lifetime of learning.

According to Dr. Andrea Pastorok, education psychologist for Kumon Math and Reading Centers, reading aloud stimulates the brain and serves as the foun-

dation for literacy development. Studies show that the more a person reads, the better he or she becomes at it and students who read the most are more likely to stay in school and experience academic achievement.

Dr. Pastorok recommends these tips to make reading aloud fun and interesting for your children:

1. Begin reading aloud to your child as soon as possible.

Reading to infants helps them develop a sense for the rhythm and pattern of language.

2. Remember, the art of listening is acquired. It must be taught and cultivated gradually. Read slowly enough for your child to build mental pictures of what he or she has just heard.

3 Reading aloud helps children develop their imaginations and creativity. Looking at illustrations also encourages an appreciation of art.

4. If chapters are too long for one reading session, find a suspenseful stopping point.

5. Use plenty of expression when reading. If possible, change the tone of your voice to fit the dialogue and adjust the pace of your voice to fit the story.

6. Avoid long descriptive passages until the child's imagination, vocabulary and attention span are capable of handling them.

7. Unusually active children may find it difficult to sit and listen. Paper, crayons and pencils allow them to keep their hands busy while listening.

8. Encourage conversation about what is being read. Foster a child's curiosity with patient answers to their questions.

9. Remember to set aside regular reading times each day for your child to read on his or her own.

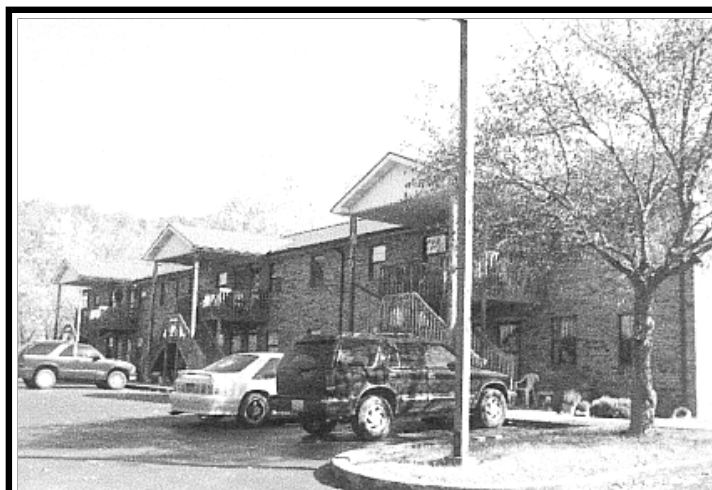

Dr. Pastorok is an educational specialist with Kumon Math and Reading Centers. She has a doctorate in educational psychology, a master's degree in counseling psychology and more than 30 years' experience working with children.

Reading aloud to kids may help them become lifelong readers.

Statement By Donna Leach Pelfrey Morgan County Circuit Court Clerk

I would like to take this opportunity to say thank you to the people of Morgan County who elected me to be your Circuit Clerk four years ago and thank you for having the confidence in me to fulfill the duties that come along with this office. It has been a pleasure serving in this position and I look forward to serving you in the future. As I promised when elected I would work to perform the needs and duties of the Circuit Clerks Office and I have done my best to fulfill this promise. I would like to take a moment to share with you some changes that have taken place recently such as: New and improved Drivers License, Kycourts (computer system), Family Court, E-citation (electronic citation), electronic bookkeeping and many more updates.

Also, in 2004 I was elected by the Circuit Clerks Association to serve on the Executive Committee, which is made up of seven Clerks in the state. I represent the seventh district, which consist of twenty-two Counties. While serving on this committee I work closely with Chief Justice Joseph Lambert, and Melinda Wheeler, Director of Administrative Office Of The Courts and other state officials. Also, I presently serve on the Legislative committee, By-Laws committee and Faculty Development committee.

On May 16th my name will appear on the ballot unopposed. Once again **Thank You** for the confidence you, the citizens and voters of Morgan County, have placed in me. If my office or I can be of any help to you, please call or stop by:

Monday thru Friday 7:45 a.m. to 4:00 p.m. and the 4th Saturday of each month 9:00 to noon for Driver License renewals

The Posture of Motherhood

There are many changing postures of motherhood. A new mother gently cradles her daughter. A seasoned mom reaches out to her growing son, and before she knows it, has to stretch upward for her hug.

The emotional posture of motherhood remains unchanged... a posture of prayerful love. A child is always in his mother's prayers. No one quite loves us like our mothers... except God. In Isaiah 66:13 we read, "As a mother comforts her child, so will I comfort you...."

On Mother's Day, may we bow and offer a thankful prayer for mothers everywhere as we worship in God's House.

You could win this beautiful quilt!

This beautiful sampler quilt was made by String Along Quilt Guild members. The guild is selling tickets on the quilt, which will be drawn for on Saturday, May 20, during the Quilt Show at the Community Center, in West Liberty. Proceeds from the ticket sales will be used to fund community-oriented projects that the guild is involved in. To purchase tickets, contact any String Along Quilt Guild members before May 20. Anna Keeton, left and Blanche Black, right, are holding the quilt. Glois Williams is in front. The quilt shows off a wide variety of quilt patterns and is done in an array of beautiful colors.

Homemakers to host quilt registry May 20

Morgan County Extension Homemakers will host a quilt registry on Saturday, May 20, at the Morgan County Community Center. The hours will be from 9:00 a.m. - 1:00 p.m. The registry will be in the rooms on the gym level nearest the school board office.

The quilt registry is sponsored by KHQS as well and records will be archived in Frankfort as well as locally. Quilt owners do not have to be quilt makers. Get in those storage trunks and closets and find grandmothers', mothers', or other quilts you have. Bring quilts to the Morgan County Community Center and follow the signs to the quilt registry.

Quilts will be photographed and a brief history will be recorded. Quilt owners will take the quilts home after the information has been recorded. Once again, documentation of Morgan County owned quilts will be housed in Frankfort and here in

the county. This event is open to anyone interested in having their own or family quilt history preserved.

Contact Nellie Buchanan, Morgan County Extension Agent for Family and Consumer Sciences for additional information on the quilt registry. (606) 743-3292.

The Morgan County Quilts Guild will be hosting a quilt show the same day in the gymnasium at the community center, so be sure to support their efforts as well. These events are scheduled to promote the heritage of quilting, the legacy we have in the county and encourage others to gain these skills.

Plantin' Corn

In January, a good friend of mine told me, "Politics is like plantin' corn." He said, "Everytime you visit a family, you've planted a kernel of corn." Well, I started plantin' corn the first day of February and everyday since, I've been a meetin' and talkin' with families, asking them to consider me on Election Day for Coroner.

Morgan county is a big county and I didn't make it to all the families and for that I apologize. I want to thank all the families I've talked to the past four months. I truly believe the people of Morgan County are the greatest people in the world.

I'm just an ordinary man with the same dreams as you. As I have walked this bumpy road we call life, I have wanted to be the strongest man, and though my back may very well be, my weak mind won't allow the rest of my body to be. I wanted to be the best looking man, but as I look in the mirror, my reflection laughs back at me as if to say, "No, you are not the fairest of them all." I wanted to be the greatest lover, and I am, but only in my own mind. I wanted to be the toughest man on the face of the earth, and maybe I was yesterday, or will be tomorrow. But today, I am not, though the scars of time and the leathery skin might suggest it. I wanted to be the richest man, but I have only to look around me and my possessions tell me I am far from it.

One of the questions asked me on my relentless journey to be Coroner and to plant more corn than my opponents was, what do

Kenny "Gravedigger" Perry and Wife Peggy

I stand for?

I stand for hard work. I stand for pride in who you are and the road you took to get there. I stand for the family sittin' at the kitchen table eatin' together. I stand for cathead biscuits and bulldog gravy. I stand for fried chicken and cornbread and soup beans and fried taters and a big ole onion. I stand for goin' to bed with the chickens and gettin' up with the rooster. I stand for baseball caps and t-shirts and blue jeans and work boots. I stand for givin' a man a honest day's work for a honest day's pay. I stand for my wife, and I know that she is the best part of me.

I stand for the DAV and for the fightin' men in Iraq and Afghanistan, even though I disagree sometimes with the government's

policies. And I stand at attention and salute our soldiers when they come home. I've done it. They are our heroes. They are the reason we're able to vote for the man or woman of our choice.

I believe real men love Jesus and I'm for Mama's tender touch and Daddy's hard hand.

I'm for old men tradin' knives and whittlin' on the courthouse lawn. I'm for chewin' bakker and spittoons. I'm for deeper blacktop and straighter roads.

I'm for clean sheets and warm blankets and for quilts made by moms and grandmas.

I'm for a good warm fireplace on a snowy day a drinkin' coffee from my favorite cup.

I'm for better education and a new elementary school — at WRIGLEY! I'm for the kids who play basketball, football, and baseball and the coaches that teach them to win.

I'm for my neighbor and helping them when they need me. I'm for speakin' out when somethin' needs to be said and listenin' when my friend has something to say.

I guess what I'm tryin' to say is I stand for the same things you stand for: Honor, Respect, and Dignity, and Hard Work.

On May 16, stand with me and vote Kenny "Gravedigger" Perry for Morgan County Coroner. No. 5 on the ballot.

Students can be enriched at local summer camp

Parents, do you want your child to have fun and learn at the same time this summer?

You might want to think about the Family Resource and Family Youth Center's Cougar Summer Enrichment Camp, scheduled June 5-15 Morgan County High School.

Classes, which will be from 8:00 a.m. to 2:00 p.m. each day, will include:

Orienteering — For the students interested in traveling and discovering new places.

Fishing — Let your child learn to make his or her own lures and attempt to catch "the big one" on this fishing expedition.

Ultimate Frisbee — Students can try their hands at one of the newest, most popular games of the summer.

Soccer — Learn fancy footwork or learn new ways to improve your game.

Archery — Hit the bull's eye in this fun class.

Corn Hole — Playing and testing skills with this popular game that has swept the nation.

Cooking — Stir up something in the kitchen while learning fun, delicious recipes.

Tennis — Students will "ace" the competition while learning powerful back hand and forearm shots.

Golf — Take the Hole in One Challenge against fellow classmates.

And thee will be much more.

Students will also have the opportunity to attend a Lexington game, go bowling, and it Twin Knobs for a big cookout and more fishing.

Students will receive free breakfasts, lunches, and snacks and free t-shirts will be presented to all students who participate.

Contact your Family Resource Center or Youth Center for applications.

Buses will run on main routes only.

Keeping Ky. kids safe from meth

Children exposed to methamphetamine production face numerous health and safety risks. These risks include:

- ✓Inhaler or ingesting
- ✓Accidental needle pricks
- ✓Chemical burns
- ✓Increased risk for physical abuse, sexual abuse, and severe neglect
- ✓Fires and explosions
- ✓Exposure to pornography
- ✓Access to guns, knives, and other weapons
- ✓Inadequate living conditions
- ✓Attachment disorders
- ✓Developmental delays
- Possible indicators of exposure to methamphetamine production include:
 - ✓Red irritated eyes
 - ✓Coughing and wheezing
 - ✓Unusually shaped burns
 - ✓Blemishes that resemble acne, scabies, or cockroach bites
 - ✓Brown or orange stains on skin
 - ✓Headaches
 - ✓Delayed treatment of injuries

It is difficult to specifically identify exposure to meth. Signs of severe neglect may be more obvious. These include:

- ✓Young children left home alone or unsupervised
- ✓Children appear to suffer from malnutrition
- ✓Poor school attendance and performance
- ✓Unsanitary living conditions

If you have reason to believe that a child you know is endangered by drugs, make this report to the Kentucky Child Protection Hotline at 1-800-725-6200.

ELECT SHERMAN SMITH Magistrate

District 4 - Ezel, Chapel Precincts

As we all know, election time is drawing near. For the last several weeks, nearly all my spare time has been spent traveling the roads of district 4 attempting to meet as many of you as I can. I must admit that regardless of the election results, I will never regret the experience of meeting so many fine folks in my community. You have welcomed me into your homes and shared with me your ideas, concerns, and expectations of a magistrate. If we missed each other, and you would like an opportunity to meet or speak with me, don't hesitate to give me a call, I would love to hear from you.

As I've made my way through the precinct, I have become aware of several problems that need to be addressed in different neighborhoods. I have noticed missing road signs, culverts that need to be cleaned, side roads in need of repair, areas still in need of water, and ditch lines that need to be cleared. After all, without proper ditch line drainage, money spent on blacktop is a waste. If elected, I will work tirelessly to see that these improvements are made.

I also look forward to making further changes in our community. Now that most of the main highways leading into the county have been straightened and improved to allow better traffic flow, Morgan County is fast becoming a more desirable location for business and industry, thus providing more jobs for our citizens. If elected, with the help of our county and state officials, I promise to do my part in bringing more industry and job opportunities to our area.

As I've stated in my previous ads, I am not afraid to take a stand and speak up for what I believe in. I will be a strong voice and a fair representative for my district. I will fight to get you the things you need to make your community a better, safer, place to live. I will never be too busy to serve my people. When I am given a job to do, I do it as quickly as possible and I DO IT RIGHT - that is how I operate my business, and that is the kind of magistrate I plan to be.

As you have noticed, I don't have many campaign signs out. We were asked to remove them from the state right of way several weeks ago. But I am still in the race. I am still campaigning every day and hope to get to every house before the election. If you want an honest, hardworking representative, remember Sherman Smith on May 16th. Number 1 on the ballot—Number 1 candidate for the job!!

YOUR VOTE AND SUPPORT WILL BE GREATLY APPRECIATED!

WALL OF HOPE BANNER

Morgan County ARH is this year's sponsor for Morgan County's Relay for Life Wall of Hope. The Wall of Hope banner is hanging in the front lobby of the hospital and is from the American Cancer Society's Relay for Life.

The ARH Relay for Life committee is asking all employees and community members to please sign the banner. The banner will be taken to this year's Morgan County Relay for Life and will be available for all survivors to sign their name as well. The committee would like to see the banner covered with as many signatures as possible.

Once the Relay is over, the banner will be sent to Washington, D.C. to be displayed on "The Mall" in front of the Washington Monument in September. There are 136 banners across Kentucky being signed. Let's send Morgan County's Banner with the most signatures.

The largest portion of your tax dollars is spent on public education.

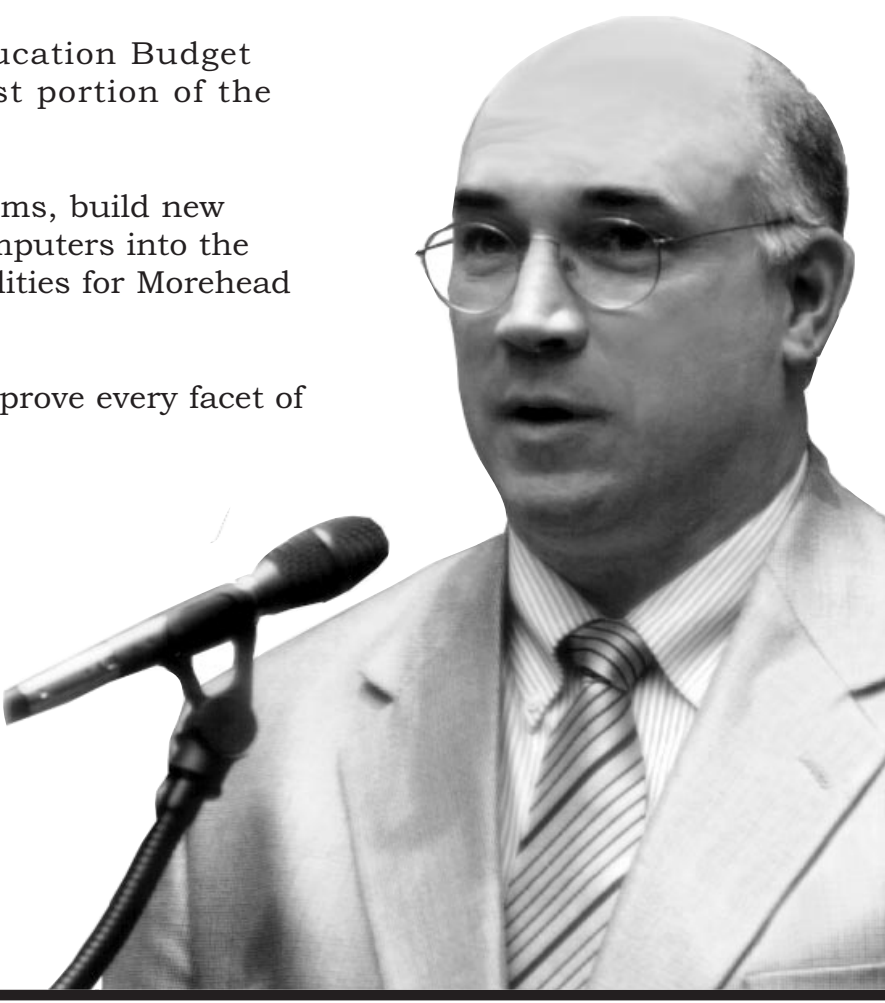

Please vote Tuesday, May 16th.

John Will Stacy is Chairman of the House Education Budget Committee. As Chairman, he oversees the biggest portion of the state's budget.

He pushed for money to renovate existing classrooms, build new school buildings, support for school libraries, put computers into the classroom, expand teacher training, and improve facilities for Morehead State University.

Representative John Will Stacy guides bills to improve every facet of education, from grade school to college.

Joe Grossman, ARH Vice President of Administration

Tim Hatfield, Community CEO.

WEST LIBERTY, Ky. — The Staff of Morgan County ARH held a welcome reception honoring two new professionals to its staff: Tariq Arain, MD and Tim Hatfield, CCEO. The staff would like to say "thanks" to everyone for coming and showing support to the hospital and the commu-

nity. Both of these gentlemen are a great asset not only to the hospital, but the community as well. Dr. Arain has been busy seeing patients at the ARH Morgan Medical Clinic since February and enjoys working with the patients and staff in the clinic. He hopes to continue to see his prac-

tice grow. Dr. Arain specializes in Family Practice, which is treating the whole family, from infancy to the elderly. The Clinic provides "Quality Care for the Whole Family, Close to Home." Mr. Hatfield held a "meet and greet" session with the employees of the hospital the day before

the reception. Mr. Hatfield wanted the employees to have a chance to meet and discuss any issues or concerns. He said he wanted the employees to know he has an open door policy and they are welcome to come to his office anytime. He is being proactive in the community already by

joining the Kiwanis Club and participating in the Relay for Life. Mr. Hatfield believes in "community" and plans on being a big part of Morgan County. During the reception, Representative John Will Stacy presented a check to Mr. Hatfield for \$40,000 to go toward the Diabe-

tes Program at the hospital. Mr. Hatfield said he supports the Diabetes program and is delighted to have the extra money for this growing problem. He expressed a special "thank you" to Representative Stacy for his efforts and said he looks forward to working with him in the future.

Still time to beat the deadline for Medicare Part D coverage

Are you beating the deadline? The May 15, 2006 deadline—for open enrollment in Medicare Part D, to get drug coverage in 2006. If not, you could be facing higher monthly premiums than necessary for the balance of time you have Medicare coverage. And the next open enrollment is November 15-December 30. The reasons some people might be delaying are many: Some folks have heard or read reports and have decided it is too confusing to sort through and think if they ignore it, it will go away. [Response: There is help available to lessen the confusion. Both the State Health Insurance Assistance Program (SHIP 800-452-4800) and KY Seniors Saving Medicare (KSSM (606-783-5125) are KY Medicare partners in helping with education and enrollment efforts. Many people are getting significant savings as a result of enrolling in one of the Medicare Prescription Drug Plans]

that sound too good to be true or too expensive to afford. [Response: SHIP and KSSM are not marketers, but we use the official HYPERLINK "http://www.Medicare.gov" website along with the list of your medications to compare which plans might be most likely to meet your need and your budget.] Some folks think because they are taking few or no medications that it does not apply to them. [Response: While it may be true that enrollment in a prescription drug plan may cost more than you are currently taking, 1) there are some (6) plans with premiums less than \$25/month, and 2) as we age, we tend to have increased need for prescription drugs, even to facilitate preventive health needs. Remember the Medicare Prescription Drug Benefit is an insurance, and just like with your auto or home insurance, you are looking at avoiding undue future costs from both known needs and yet unknown needs.] Some folks think that if they

are not eligible for "Extra Help" with premiums for Part D, that they are not eligible to enroll in a prescription drug plan. [Response: Everyone with Medicare, regardless of income, can choose to enroll in a prescription drug plan. The "Extra Help" eligibility (for help with premiums, copays and deductibles) is based on income and resources, and is determined by the Social Security Administration. And if income and resources are very limited, you may even be eligible for help with the Part B premium as well—applications are through local Community Based Services offices (same office as for Food Stamps and Medicaid).] Some folks think they will be automatically enrolled without making a decision. [Response: Those individuals who were al-

ready receiving both Medicare and Medicaid either have been, or will be, auto-enrolled, as will those for whom their Medicare Part B premiums were being paid by the State. However, they can evaluate and choose a plan, based on their medications, that might serve their needs better.] Some folks think that, because they have been getting medications supplied by pharmaceutical companies, they will not need Part D coverage. [Response: Many pharmaceutical companies have reported they will not be continuing this service if a person qualifies for and/or enrolls in Part D and/or after the May 15 deadline date, so the individual would want to have clarification from the drug company.] We hope you won't wait beyond the open enrollment time

and miss the opportunity to enroll in a beneficial plan. If you already have creditable coverage (as good as or better than Medicare's Part D coverage) through another insurance, through a retirement plan, or through VA, then you are not impacted by the May 15 deadline date, and you do want to carefully safeguard the document from your insurer, in case some future circumstance changes to effect that coverage—then you would have 63 days in which you could enroll in a Medicare Part D plan without penalty. In addition to the SHIP and KSSM #s above, you can also call 1-800-MEDICARE 24 hours for help—remember the word "Agent" when seeking to talk to a person about help with prescription plans.

A word of warning for beneficiaries to not give out personal information to scam artists who claim to represent Medicare Prescription Drug coverage or Social Security. If you have not initiated a call to request information, it is best to hang up on those seeking information about your bank account or Medicare claim number. KSSM is funded by a grant from the Administration on Aging through the Corporation for National and Community Service, and is operated on Morehead State University campus. For more information, you may contact Ethel Howard, Assistant State KSSM Director, at 606-783-5125, or go to the MoreheadState.edu website, and look in the A-Z listing under Medicare.

SAMMY CANTRELL

Democratic Candidate for

Morgan County Jailer

5 on the ballot

I'm trying to get out to talk to as many of you as I can before the election. I work seven days before getting a day off, so I have been going out in the mornings before going in to work in the evenings. My wife, family and friends have also been going out on my behalf. I'd like to thank the people of Morgan County for welcoming us during this campaign. There are only a few days left before the election, and I would like to once again ask for your vote and support. I also want to thank the other jailer candidates for running a good clean race and I wish each of them the best of luck.

Morehead State University's Department of Psychology recently recognized some of its students at the annual honors banquet. Sophomores and juniors who achieved a very high level of academic success at MSU received the Psychology Scholar Academic Excellence Award. Among those receiving the award was Amanda Pieratt, West Liberty junior, right. Making the presentation was Dr. Laurie Couch, associate professor of psychology. Pieratt was inducted into the MSU chapter of Psi Chi, a national honor society in psychology.

Come And Enjoy Themselves.
All candidates are encouraged
to attend.

The West Liberty Police Department, in conjunction with state and other local law enforcement agencies, will participate May 14, 2006, through June 4, 2006, in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's Enforced" campaigns. During this period, patrols will focus greater attention on traffic violations, especially safety belt usage.

Meeting held for six counties involved with East Kentucky FEAT to share info

Peggy Satterly, Kentucky's ARC program manager and contact with the Washington DC office of the Appalachian Regional Commission (ARC), scheduled an informational session at the Laurel Gorge Cultural Heritage Center in Elliott County for April 25th. The purpose was for the six counties (Menifee, Wolfe, Morgan, Elliott, Carter, and Greenup) involved with the East Kentucky Foothills Eco/Agri-Tourism Cor-

poration (FEAT) to share information about the agritourism project that spans an area from the Red River Gorge to the Ohio River. Elliott County Judge Executive, Charles Pennington, opened the meeting by welcoming everyone to the county and the Cultural Center and asking for introductions. The group included Kentucky Department of Tourism Commis-

sioner Randy Riveash; four county judge executives; Kristen Branscum, Tourism Development Director for Kentucky; Kimberly Clay, Kentucky Tourism Director, Chris Cathers of the Kentucky Artisans Heritage Trail, and several members of the FEAT corp. Judge Pennington then turned the meeting over to Peggy Satterly, who introduced John Cartwright, Director of Re-

gional Planning and Research, Washington DC ARC. Mr. Cartwright explained that ARC has funds for four pilot projects in the Appalachian States. "Three of them have been assigned, and we are looking at this project for the fourth," he said. "It will include a consulting firm to help get your project off the ground and make it sustainable once their work is done." He then described how he saw things shaping up in Eastern Kentucky and asked for input so he could further understand the project. Each Judge Executive had the chance to speak. Charles Pennington confessed he didn't understand the assets Elliott County had fifteen years ago when Tourism was first mentioned as an industry in Eastern Kentucky but had come to realize that "we are a hidden treasure." He spoke proudly of working with volunteers to bring in grant funds to construct the Culture Center and Hiking trail. "I even had a hand in the architectural design of the facility," he boasted. "Being a part of this group is exciting and I understand it is pretty unique in Kentucky. I believe we have everything that is needed to make a successful tourism destination but it will take us a while to develop it to the point of marketing. I understand we have been approved for \$50,000.00 through state phase one tourism dollars to hire someone to help with the project. Each of the partnering counties have given a small amount of money to hire a part time person to take care of WEB sites and keep us informed as to what is happening. We're all in this together," Judge Pennington said. The University of Kentucky Technology center has granted \$8,600.00 to create a WEB site for the Kentucky Quilt Trails. It should be up sometime this summer. "We are working on a trail that

starts at the Kentucky I Virginia border and will go to the Kentucky/Virginia border. It will be ATC, hiking, and horse friendly," said Tim Conley, Morgan County Judge Executive. He continued "we have to work together as a team to make it strong and profitable. Within this six county area, we have beautiful drives, ponds, and streams for fishing, people can hunt here and a lot of other family activities. What we want to create is a Family Vacation package that will bring people from across the country to Eastern Kentucky," Judge Conley confirmed the dedication of all the elected officials to this project. Wolfe County Judge Executive, Raymond Hurst was concerned about the commitment of ARC to the project. "We have had resources taken away from us that we should have. I hope you follow through with this commitment but whether you stand up to your promises or not, we will continue this project though a consulting firm, a \$40,000.00 value. FEAT director Larry Brown stood to tell the background of the project. "There were three counties initially, Wolfe, Morgan, and Elliott. We wanted to form a partnership that would work together regardless of political differences and county lines. We've done that. After a small conference through the Kentucky Entrepreneurial coaches Institute, we decided it should continue to the Ohio River and asked Carter and Greenup Counties to join the organization, they were pleased to come on board. It has taken us two years to get this far. We know we have a challenge ahead but we believe the potential is worth the work. Our partnerships go beyond the local government: we are working closely with the Co-operative Extension Service, Chambers of commerce, and other organizations. Our goal is to make a seamless corridor of

family vacation opportunities that will entice people to return year after year, spend their money, and leave broke." "All counties have great assets to make this project successful," said Dwight Cropper of Greenup County. "One of our greatest contributions may be the number of entries into Greenup County for the north. "We are the gateway from the north" added Greenup County Judge Executive Bobby Carpenter. "Having this trail extend from the Red River Gorge to the Ohio River just makes sense." Lunch consisting of soup, beans, cornbread, mustard greens, sour kraut, blueberry cobbler, strawberry cake, and Linda Kitchen's pound cake was shared on the deck of the Laurel Gorge Cultural Heritage Center. It was a conversation among co-workers and friends. Commissioner Fiveash took the floor after lunch saying "Do you know what I have not heard today?" All eyes and ears turned to the commissioner. "I have not heard a single county name. That is refreshing. Tourists don't see county lines, they don't know landmarks; they are looking for a pleasing experience and will pay for what they want. I applaud this group. This has been the most positive meeting I have attended, and I have attended a lot across the state." Commissioner Fiveash committed his support and that of Kentucky Department of Tourism to this project. The meeting concluded with a promise that there would be more contact between the FEAT corporation and ARC. The day was not over. At 5:00 East Kentucky FEAT members met with the Mary Reynolds Babcock Foundation. A grant request of \$180,000.00 was submitted to the foundation to continue for three years a full time position to work Agritourism in the six member counties. They too were here on an information gathering expedition. The story of FEAT was told with a question to answer session following. The foundation left with a request that the proposal is being worked on now. East Kentucky Foothills Eco/Agri-Tourism Corporation is up and running with the goal of helping the economy of six counties in Eastern Kentucky. "But just as tourists don't stay inside county lines, neither does money. This project will benefit all of Eastern Kentucky," said Larry Brown, director of the corporation. A long prosperous day was spent at the Laurel Gorge Cultural Heritage Center with a promise of a brighter future for Eastern Kentucky.

GEORGE WEDDINGTON

Magistrate District #1

I was born and raised in Morgan County.

I know the people of Morgan County very well and what they need from Morgan Fiscal Court. I have worked for many years doing highway construction, the past 30 years I have been a project supervisor, project manager and estimator. I feel like this experience will qualify me to help Morgan County Fiscal Court with their problems or anything I will face as a Magistrate.

I am retired and will work the necessary time that is required to be a Magistrate. I have a reputation as a leader and do what it takes to get things done.

I am dedicated, hard working and honest.

I have a lot of knowledge about equipment and understand what needs to be done to the Morgan County Roads.

I will help Morgan County Fiscal Court stay focused and function more like a business, and in some cases eliminate delays in much needed projects.

I will work to eliminate our problems instead of solving them.

As your magistrate I will support our local business community and any responsible growth that wants to come to Morgan County.

I will support our youth and young adults.

I will do anything I can to keep drugs or anything else that is harmful from our young people.

I will support all types of clean recreation for our youth.

ELECT me as your MAGISTRATE IN DISTRICT #1 and I will MAKE YOU A GREAT MAGISTRATE.

Thanks, George Weddington

MORGAN COUNTY HOMEMAKERS

West Liberty Homemakers

The West Liberty Homemakers had their regular meeting on Friday, April 14, at 7:30 p.m., at the home of Monteza Lykins, the president, Norma Smith, welcomed everyone and thanked them for coming out to the meeting. Norma gave the devotion entitled "Stay Plugged In."

The minutes of the previous meeting were read and approved.

Nell Adkins reported on the county wide trip on May 1, 2006, to Laurel Gorge Heritage Center. The group will be leaving the Barry Keiger Memorial Building at 9:00 a.m. Members and non-members are invited to go on the trip.

All business was taken care of.

The club would like to thank the following volunteers for their help with the PRIDE trash pickup on April 15, 2006--Gerald Goodpaster, Dee Jay Sparkman, Junior Adkins, and Darren Sparkman.

The lesson on celebrating the memories of one's life was taught by Nettie Goodpaster.

Door prizes were given and a delicious meal was served to the following--Nell Adkins, Mondella Bradley, Cricket Cantrell, Myrtle Fannin, Nettie Goodpaster, Annette Kembler, Sherry Lykins, Norma Smith, Lorene Trimble, Ringo Kembler, Gene Lykins, and the hostess, Monteza Lykins.

Our next meeting will be May 12, 2006, at the home of Betty Lou Elam-Bailey. The hostesses are Ida Mae Elam and Betty Lou Elam-Bailey.

We miss you Marie. Hope you will soon be feeling better and be able to be at the next meeting.

See everyone at the May meeting.

Please vote Tuesday, May 16th.

John Will Stacy earned the Taxpayer's Best Friend Award.

The *Taxpayer's Best Friend Award* is given to lawmakers who stand against tax hikes, support smart tax cuts and strive to spend tax dollars wisely.

John Will Stacy earned this honor from the Taxpayers United because his record on taxes is clear. John Will Stacy voted for 87 tax cut measures.

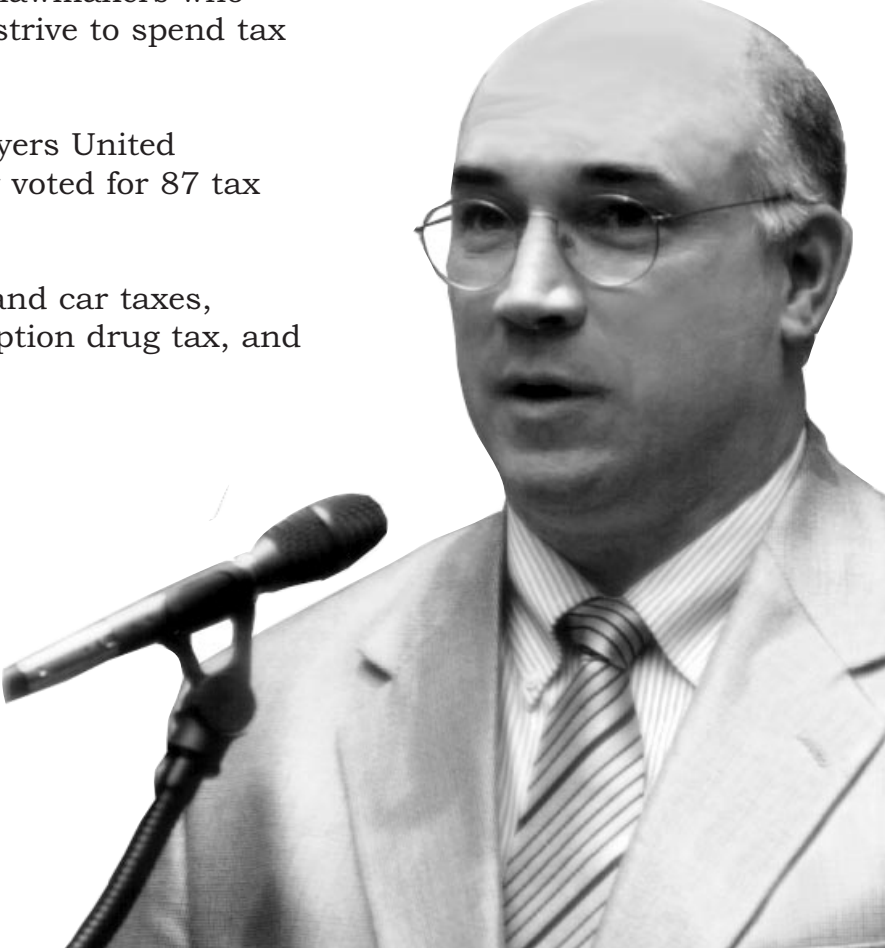

John Will Stacy cut income taxes, property taxes and car taxes, voted to repeal the inheritance tax, repeal the prescription drug tax, and eliminate taxes on retirement pensions.

And he refused to support an increase in the gas tax.

Make a good decision at the polls May 16

By Chris McKenzie

You have seen the candidates out among the populace trying to persuade people to vote for them. These are the workings of arguably the most coveted freedom we Americans enjoy: the right to vote. We are among the few nations who are given this freedom to such an extent. We go into a booth and mark, in secret, to whom we want to entrust the burden of leadership. However, are these people you cast your vote for capable of the task? What made you choose that person above the others? I guess the big question is this: How do you choose whom to vote for?

The answers vary; some are good and some are bad. The answers that seem to be the most common, however, are frightening: "His/her parents were good people" and "I was raised to vote (Democrat or Republican) no matter what." In any community, especially small ones where everyone knows almost everyone else, people tend to cast their vote because of a last name or a political party. I have been asked why this is bad and the answer is simple: nobody can tell us what morals guide them, what the position they are running for is responsible to do, and why they think that they would be better at it than the other candidates running for the same position. We were given the right to elect our own officials so that we can influence how our community makes decisions, so that we can have the district or county run in a way we would refer to as "the right way." When the future of our community is in your hands, be careful to whom you pass it!

Allow me to now address some stereotypes commonly linked to the two main political parties. Republicans are referred to as the conservative ones; the ones who want to keep things the way they were when this nation was founded. Democrats on the other hand, are seen as liberal: they think with changing times the rules need to change as well. An example of this is the issue of gun rights: Republicans are seen as the ones wanting to keep the right to bear arms intact, while Democrats are most often connected to the views that want to limit or remove this right due to increasing gun violence. Other

examples are that of gay marriage and abortion. Republicans are usually perceived as against gay marriage and are pro-life, whereas Democrats are depicted by the media to be for gay marriage and pro-choice.

Think about these stereotypes. Do all of these viewpoints reflect those of the party you are proud to be a member of? With all of these differing opinions that probably don't match up to what you think of your party's viewpoints, how do you know whether a candidate of "your" party defines it the same as you do or entirely different?

You may be thinking that those examples are completely irrelevant in reference to district and county positions, but if the candidate you vote for is pro-gay marriage and a related bill is set before him/her they will more than likely vote in favor of gay marriage. If it were your decision, would you have done the same?

There is only one way we can really know who is the best candidate: look to the candidates. Have them tell us what morals guide them, what the position they are running for is responsible to do, and why they think that they would be better at it than the other candidates running for the same position. We were given the right to elect our own officials so that we can influence how our community makes decisions, so that we can have the district or county run in a way we would refer to as "the right way." When the future of our community is in your hands, be careful to whom you pass it!

Deadline for news, adv. noon Monday

Because of extremely tight printing schedules, news items and advertising submitted for publication in The Licking Valley Courier should be submitted by Friday of the preceding week and must be in our office before noon on Monday.

Elect TONY BALL MAGISTRATE District 2

To the Citizens of District 2: Time has come and gone and now it's time for you to make your decision on who your next magistrate will be. I have talked to and visited as many as I could and have enjoyed talking to everyone. So, I am asking for your support one last time in this election. I will work hard for our district, making it a better place to live. I won't make a lot of promises, but one thing I will promise: I will represent our district 100% to the best of my ability. So on May 16, vote Tony Ball, Magistrate. If you have any questions, call me anytime at 522-3944. Thank you very much.

Board of Directors

Kentucky Sheriff Association

Business Financing Club to hear from two businesses

Meeting at MSU will be
Thursday, May 18 at
Adorn Doran Center

The Foothills Area Venture club will hold its next meeting at Morehead State University at the Adorn Doran University Center Thursday, May 18, from 5:00 p.m. to 7:00 p.m. The venture club is an informal and open to the public forum where businesses make a pitch for equity investment. Investors are usually successful businessmen and women who are willing to buy a share of the entrepreneur's company and to provide their expertise and networks to help the companies succeed.

The meeting will highlight MSU's Space Science Center and

two of its start-up business enterprises. The Director of the Space Science Center, Dr. Benjamin Malphrus, will be the event's key note speaker.

Following Dr. Malphrus's remarks, the group will hear from two MSU Space Science Center faculty-owned businesses seeking growth capital. Dr. Bedri Cetiner of MEMSCOMM LLC will discuss his technologies: Micro-electric-mechanical antennae systems. These are very small antennas that have the potential to revolutionize the communications industry. Professor Robert Littlepage of L F Inc, will discuss several technologies he has invented, including a system that could help locate roadside bombs in places like Iraq.

Johnathan Gay, the Director

of the MSU Innovation Center and the Secretary of the Venture Club, said both businesses offer high growth potential. "These are the sorts of businesses that can potentially put Eastern Kentucky on the scientific business community's map."

While the purpose of the club is to give companies a chance to raise much needed capital, all meetings are open to the public. "We do want investors and people with networks and skill sets who can potentially help these companies," Gay said. "But we also want the community to understand this relatively new type of business funding and how it might lead to jobs in the region. So we invite anyone who's interested to come out and join us."

For more information about the venture club you can contact Johnathan Gay at 606-743-4005 or via email at jgay@kyinnovation.com.

GADD office at Owingsville
moving to Morehead

From the Executive Director and Board of Directors
of the
Gateway Area Development District
May 8, 2006

As many of you know, the office of the Gateway Area Development District has been located, since its inception, May 1969, in Owingsville. We have been in Bath County, been a community partner, made a lot of treasured friends and invested our time and money in that community.

The time has come for us to move on to another location. Our location now, the Bath County Courthouse Annex, is soon to be the home of an expanded court facility. This is a good move for AOC and for us and we commend the Bath County Judge and Fiscal Court for their vision and insight into the future of Bath County. We have needed to own our own facility for a long time and have been in need of additional space for many years. Our Staff and Board have been in search of a suitable location for our office for several months and have made a decision on our new location. With the support and encouragement from the Rowan, Morgan and Menifee County Judge Executives, respective Mayors, MMRC Board Members, Industrial Authority, Rodney Hitch, Industrial Development Director and Representative John Will Stacy and Representative Rocky Adkins, and the Gateway ADD Board of Directors and staff, we have made our decision regarding our new office location.

A special thanks to Representative John Will Stacy for the \$ 150,000 building design and development money line item in the State budget and to the MMRC board of directors and Judge Executives for the donation of land. These two incentives made decision to relocate to MMRC.

We will be moving to the MMRC industrial park in Rowan County. This park is owned by three of our five counties and they have offered acreage for our board to construct a facility on for our new home. We truly appreciate this offer and feel that this is the best place for us to be. We are more accessible to most of our counties and will still not be far off from the balance of our communities. We are very excited about our new facility and our new neighbors.

We feel that we have been a great asset to Bath County and the City of Owingsville. We have deposited over \$60 million in the local banks, since we have been there and we have patronized the local businesses throughout the years, for our needs. This impact on the community where we live, isn't only about the amount of money that flows through the office, but also about the commitment to the communities, the projects that we work on and the support that we provide. We are definitely, an asset to any community and take pride in our efforts for the people of our region.

For those who may not be familiar with the Area Development Districts, the following might be helpful. The Area Development Districts work under contracts, with many State and Federal agencies. The ADD, as sometimes you will hear us called, has been in place for more than 35 years. The KY ADDs are a model in the nation, for joining, Federal, State and local funding, to provide needed services to local governments and communities. The ADDs have successfully provided this service for many years. The beauty of the ADDs is the flexible, but yet accountable, nature of the work. ADDs can and do cater to the individual needs in each local community, while maintaining a regional consistency across the State. The ADDs provide a forum for local governments, citizens and State and Federal agencies to come together, work across county and party boundaries to get things accomplished. The ADDs are in tune with their respective communities and touch all aspects of State and Federal Government.

General Accomplishments at the local level:

Technical Assistance in finance, public hearings and meetings, local/State funding, purchasing and personnel procedures, training and all other aspects of local government administration.

Planning, Community and Economic Development Activities, Infrastructure assistance, leadership and local capacity building, Business Development and many other areas relating to progress and growth in local communities.

Project Development, and work with all grant programs, including ARC, EDA, RD, HUD, Community Development Block Grants (CDBG) Planning, technical assistance, and grant administration.

Interagency Coordination for Economic Development Activities, including financial packaging,

lending money to business and industries, and anything else that needs to take place on a local level relating to new job creation, retention of existing jobs and new industrial investment. Also provide assistance with the regional industrial parks and the maintenance of coal severance dollars.

Prepare and update, as needed, the Comprehensive Economic Development Strategy (CEDS) as required by EDA.

Assist GOLD with project development for Recreation Trails, Bluegrass State Games, Land and Water Conservation Funds and KY Rails to Trails program.

Downtown Revitalization project development, grant writing and program administration.

The ADD has been responsible for the new highway mapping, KSP mapping and many other special mapping projects.

The ADDs provide project management assistance and mediation where needed.

Operations of the Senior Citizen Centers, Homecare and Respite programs.

Planning and maintenance of Water and Wastewater projects.

Planning/Maintenance of the Six Year Road plan for Transportation and Highway Safety.

Workforce Investment Activities

Grant writing and Administration.

Revolving Loan Fund Activities

Homeland Security

Housing

And so many more areas.

Our Future

The Area Development Districts are coordinators, collaborators, and conveners on a consistent basis for existing and new programs, for ideas and for planning for the future. We have the same goal for Kentucky and our communities, as local, State and Federal administrations, a better quality of life for the citizens of our State. It would be very difficult to find any other group, who have the respect of local governments and State Administrators and can provide statewide consistent quality products, with less.

We thank the Bath County community for the support over the years and we also thank the Gateway ADD Board of Directors for their regional foresight into our new location.

We will continue to do business and assist with projects in all five of our counties and the respective communities and look forward to continuing to help move our region forward.

Cool ways to combat the common cold

(NAPSA)—Yes, it’s that time of year again-cold season. The typical cold is an upper respiratory infection that can be caused by more than 200 different viruses. Symptoms include sinus pressure, nasal congestion, headaches, body aches and sometimes fever and cough.

Recent statistics have shown that adults average two to four colds a year, which amounts to one billion colds nationwide. Contrary to popular belief, exposure to cold weather is not proven to cause colds. In fact, spending more time indoors actually increases the chance for viruses to spread.

When someone has a cold, sneezing, nose-blowing and nose-wiping may spread the virus. You’re likely to catch a cold by inhaling the virus if you are sitting close to someone who sneezes, or by touching your nose, eyes or mouth after you have touched something contaminated by the cold virus.

There are over-the-counter (OTC) medications available at your local pharmacy to relieve symptoms of the common cold. If you’re looking for 12 hours of relief from just one pill, Aleve Cold & Sinus is effective in treating headaches, body aches, fever, nasal congestion and sinus pressure that may result from a cold.

New guidelines published by The American College of Chest Physicians (ACCP) suggest that the pain reliever naproxen, an active ingredient in Aleve Cold & Sinus, is more effective in treating cold-induced coughs than popular OTC cough syrups.

If a cold causes your sinuses to become congested, this congestion may lead to painful sinus headaches. You might have a sinus headache if you are experiencing pain or pressure around the eyes, cheeks and forehead; tender skin and bones over and under the eyes; and pain when bending over. The active ingredient in Aleve Sinus & Headache is an extended-release decongestant that works to reduce sinus pressure for up to 12 hours.

In addition to an OTC medication, other ways to treat your cold include:

• Get plenty of rest

• Drink plenty of fluids

• Don’t drink alcohol

• Gargle with warm water to soothe a sore throat.

“I’m exposed to germs every shift that I work,” said Marty Heggs, a registered nurse from Loveland, Colo. “Aleve Cold & Sinus allows me to continue to help others during my 12-hour shift. I recommend it to all my co-workers and patients.”

Aleve Cold & Sinus and Aleve Sinus & Headache are both available at your local pharmacy and many other stores where you purchase health and beauty products. If you cannot find these products on the shelf, ask your pharmacist or store manager for help, as they may be located behind the pharmacy or service counter.

IN MEMORIAM

In memoriam of all mothers on Mother’s Day who have gone on to be with the Lord, especially my mother, Cynthia Stevens, and my mother-in-law, Nettie Clevenger.

Hundreds of stars in the pretty sky, hundreds of shells on the shore together, hundreds of birds that go singing by. Hundreds of lambs in the sunny weather. Hundreds of dew drops to greet the dawn. Hundreds of bees in the purple clover, hundreds of butterflies on the lawn, but only one mother, the whole world over.

Charles H. “Charlie” Perry

Democrat For Morgan County Coroner

Vote #6 On The Ballot

I am appealing to the citizens of Morgan County for your support to elect me as your Morgan County Coroner. It would be a honor to be chosen as your public servant.

I have a background in law enforcement serving with the Morgan County Sheriff’s Department, the Morgan County Ambulance Service, the West Liberty Police Department and Chief of Police for the City of West Liberty. I am a graduate of the Kentucky Law Enforcement Foundation training at Eastern Kentucky University where I gained extensive knowledge in crime scene investigations, forensic sciences, police photography, finger printing and classification, and collecting and preserving evidence. I have extensive experience in working with local and state agencies in crime scene processing.

I would like to take this opportunity to talk to you about the aims of my campaign for Coroner.

According to the Kentucky statutes, some of the duties of the Coroner’s Office are to establish the Manner and Cause of Death. The Cause of Death is the injury, disease, or a combination of the two that caused the death of a person. The Manner of Death is ruled by the Coroner to be natural, suicidal, accidental, a homicide, unknown or pending.

The Coroner’s Office deals with many kinds of death that include:

~ Skeletal remains

~ Homicides

~ Suicides

~ Occupational deaths

~ Deaths occurring in a correctional facility

~ Deaths within a medical facility less than 24 hours of admission

~ Fatal motor vehicle deaths

~ Mass fatalities

There are also many additional responsibilities of the Coroner’s Office. In a death scene investigation, the Coroner, or his deputy, has the responsibility of pronouncing death, determining the time of death, taking into custody the body and property of the body, ensuring the body has not been moved from the original death scene, making a positive identification of the body, notifying the next of kin, signing the death certificate, completing the required forms and records for each death investigation, and interacting with other appropriate agencies.

I have five pledges to Morgan County citizens if I am elected Coroner,

1. I pledge to appoint a qualified staff including a female Deputy Coroner to ensure the privacy and modesty for all cases involving females. It also shows respect, concern and compassion to all family members.

2. I pledge to establish the Morgan County Coroner’s Office as a dependable and compassionate public service office.

3. I pledge that all cases will be handled with courtesy, professionalism, respect, privacy and confidentiality.

4. I pledge that if merited, local and state officials and agencies will assist in any proceedings.

5. I pledge to have the Coroner’s Office respond to all requests of service in a courteous, prompt and expedient manner.

I look forward to the opportunity of serving as your Morgan County Coroner.

A new look at the polls

Morgan County’s new voting machines look like this. Each precinct polling place will have two of these machines, one of which will be for use by voters with disabilities. Both machines will be available for use by all voters. Two additional election officers will be assigned to each polling place to facilitate efficient use of the machines.

Easy to vote with new digital machines

1. Pollworker will activate electronic ballot.

2. Select candidate, touch the box next to the name. To de-select, touch box again. The machine will not allow you to vote for more people than may be elected to any one office.

3. After completing last ballot page, touch “Review” and carefully review the selection review screen. To change or make a new choice, touch box next to candidate or office name, and then touch box next to new selection. When finished, press flashing red “Vote” button to cast your ballot.

VOTE LANGLEY FRANKLIN

MAGISTRATE DISTRICT 3

We ask for your vote and support for our brother, LANGLEY FRANKLIN, who is running for MAGISTRATE IN DISTRICT #3. Langley is very knowledgeable about the functions of the county. He has been an active member of the Kiwanis Club of West Liberty for 33 years and has helped organize and manage many civic projects. Langley has served on numerous boards and has been instrumental in the decision-making process regarding projects for the betterment of his county.

Langley knows how to work with the public, having just retired in January, 2006, from a Deputy Circuit Clerk position that he held for over 30 years. He will listen and keep an open mind to situations that may arise in his district, as well as county-wide. Langley is very concerned about our county and will strive to make it better. If elected, he will be as close as a phone call, or you may contact him in person at his home. Langley KNOWS the people of Morgan County and could well SERVE the people of his county as your MAGISTRATE OF DISTRICT #3.

We appreciate your support and thank you in advance for your vote for our brother on May 16.

ELECT BILL GULLETT

MAGISTRATE DISTRICT #5

Friends, Campaign time is almost over and Decision time is here. We must select the candidate that we feel is most qualified and can do the most for our District. I ask for your vote and support, May 16th, based on my:

1. Experience

2. Knowledge of County government (how it should operate)

3. Knowledge of equipment, road building/maintenance

4. Time to be a full time Magistrate

Most of you in District #5 know me. You know that anything I do, I give 110% to get things done. I will be a full-time employee to the people of District #5. I’ll be your voice to the Fiscal Court while working to get things done.

I Promise To Be:

1. Where I’m supposed to be

2. When I’m supposed to be there

3. Do what I’m supposed to do

Again, Thank You For Any Support You May Give Me

Who Are You Voting For Sheriff Of Morgan County?

What are your plans for this Tuesday, May 16th? Of course that is if you’re lucky enough to get off work on Election Day! I would say some of you are going to enjoy your day off by lazing around the house or maybe going fishing. Well, whatever your plans may be, I hope that you will take the time out of your busy, sometimes hectic lives, to come out to the polls and place a vote for my father, ROGER BENTON, for SHERIFF.

In my 29 years of growing up here in Morgan County when I introduce myself to someone new, I often say, “My name is Ash Benton.” I then follow up with, “Or you may know my Dad, Roger Benton.” Then generally they say, “Oh, your Roger’s boy, yeah I’ve known your daddy all my life, he was one of the best Sheriff’s Morgan County ever had.” Next thing I know I have to listen to some long story about Dad being in Wrigley or somewhere else!

Well, I guess you can see I am proud of my Dad. He has worked his whole life so that the dreams of others could someday come true. He never, ever, let me down; he has been my rock, my helper and my hero!

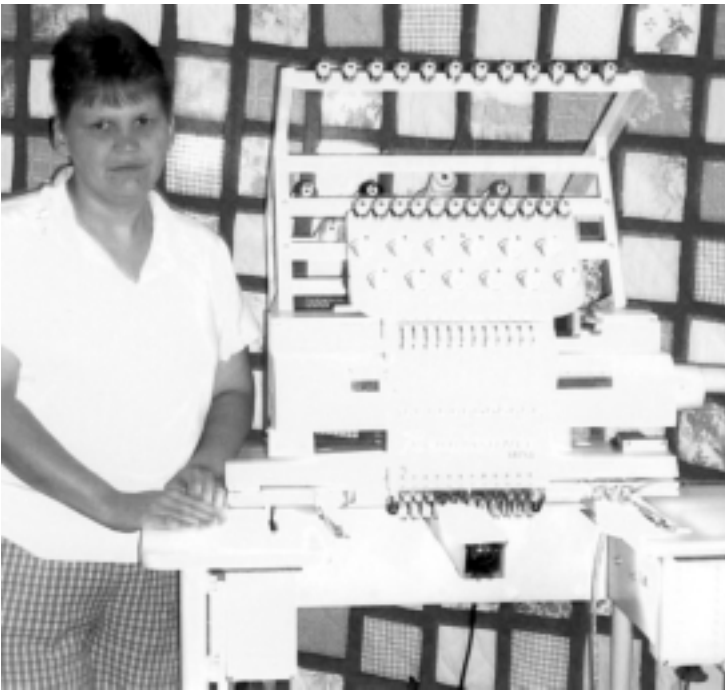

Morgan County needs a Sheriff like my Dad — hardworking, honest, dependable, and willing to go that extra mile to help anyone.

May 8--I hope everyone is feeling well. Our deepest sympathy goes out to the Hampton family, also the Dunn family. I've known Clifton and Barbara Hampton for years. God bless you all.

Your reporter has been under the weather. I've had foot surgery and am not doing too well.

My sister, Marie Nester, from Ohio, and Jess Nester visited with your reporter and family last weekend.

Your reporter and Virgil, also Gail Ferguson went to Winchester last Saturday to visit with Virgil's nephew. Had a fish fry and we enjoyed ourselves.

We had a phone call from Virgil's brother, Willie Ferguson, and Mildred. Said they were doing fine.

Chris Manning has been back in the hospital again in intensive care with diabetic sugar out of control. He was really sick but is home now and doing some better. He's a young man, only 30 years old, to be in this condition. You don't have to be old to be sick anymore. Get well soon, Chris. We love you.

Those who visited me while I was sick were Dorman Nipper, Elmer Lawson, Marie-Jessie Nester, all of my children, they were so good to help do work. Also Virgil. They were so much help. I thank God for all my family. For all that visited and called on the phone were Anna Mae Adams, Beckie, from Ohio, my cousin. Also my granddaughter, Lynn Endicott, Jessie Nester, Tena Bates, Barnetta Manning. Thank you all. Also Rev. Richard Lee Simpson called and prayed for me. I am a lot better, thanks to you all. We should be good to one another and love one another. May God bless everyone.

Also Mr. and Mrs. Willie

Ferguson, from Bardstown, Ky., called to hear from Virgil and me. They said they were doing fine.

Virgil and I, and Charlotte were in church with Rev. and Mrs. Richard Simpson, at Lee City, over the weekend. We call it our church. We love it. All that goes there are real good people.

To Mrs. Hester Caskey and her son and family, we want to say you have all our love. May God bless you all in your time of sorrow. Your loss is heaven's gain. We are praying for you.

May God bless everyone until next time.

May 8--Travis Grant Clevenger, of West Liberty, Ohio, called his dad, Barry Clevenger, Sunday. He said he was doing fine and working. He and his girlfriend, Emily, have been attending church on Sunday. So good to hear from him. Call again, Grant, real soon. He always asks about all the family. God bless you, Grant. We all love you.

A special lady, Sophie Blevins, of Grant Park, Illinois, how are you. Hope you are getting along much better. Think of you and you are always in my prayers daily. God bless you. I love you. Write or call soon.

**Amazing Medicine
Right Here in Morehead**

The Toshiba 64-Slice CT Scanner captures high-resolution 3-dimensional images of internal organs and anatomy in a matter of seconds, and is especially useful in diagnosing blocked coronary arteries without an invasive procedure.

St. Claire Regional is one of only a handful of hospitals in the country with this new, sophisticated device, which means you don't have to go to Lexington or Ashland for remarkable medical technology; it is available right here in Morehead. Any way you *slice* it, that's Amazing.

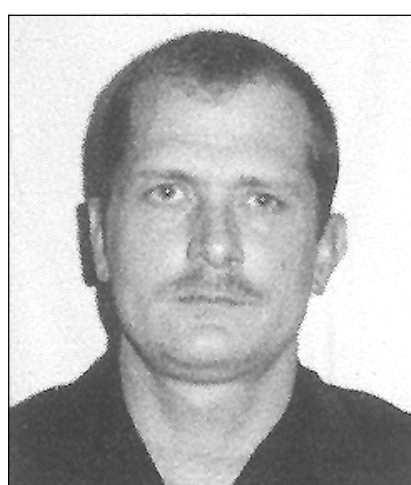

Amazing. Medicine.

W. Keith Callahan

For Sheriff

I, W. Keith Callahan, would like to remind everyone of my experience in serving the needs of our county. During the past 10 years,, I have been a member of the 519 Fire Department and the Morgan County Rescue Squad. I have responded at all hours Day and Night, to fires, vehicle accidents, natural disasters, and other emergencies to help my fellow

Morgan Countians. I feel that this shows my dedication and commitment to helping the people of our community. I promise, if elected as your next Sheriff, to continue to serve the people with the same Commitment, Dedication, and Respect that I have for the past 10 years.

Money delivered for local roads

Governor Ernie Fletcher and the Kentucky Transportation Cabinet announced Tuesday that road improvement funds totaling \$500,000 have been delivered to Morgan County. Transportation Cabinet Secretary Bill Nighbert, who was in West Liberty Tuesday to deliver a check for that amount, said the money will be used for various road projects. Morgan Judge Executive Tim Conley and Magistrate Denzil Potter were on hand to accept the check from Nighbert. House Bill 267, passed recently by the General Assembly, authorized \$150 million in funding to be spent on improving existing county and city roads throughout the state. The funding can also be used to pay to replace aging bridges.

Project Prom to take to the road; set for May 20th

This year's Project Prom after prom party will be going on the road. Buses will depart the high school at 12:15 a.m. for Mt. Sterling, where prom goes will enjoy a night of movies, bowling, arcade games, Rook tournament, and other entertainment.

Consent forms are available at the High School Youth Services Center. Students who plan to participate must return a parent consent form to the Youth Services Center by Friday, May 12, to be assured a spot on the buses.

Students will not be allowed to drive to Mt. Sterling or use any transportation other than the school buses.

For additional information or to volunteer to help with Project Prom, call Alicia McClurg at 743-8073 or email agmccclurg@morgan.k12.ky.us

The prom schedule will be as follows:

12:15 a.m. — Depart from high school parking lot.

1:30 a.m. — Chose one of the three movies showing.

3:15 a.m. — Bowling at Sterling Lanes, Rook tournament, Arcade games, entertainment, pizza.

5:15 a.m. — Load buses for return to MCHS.

6:30 a.m. — Arrive at MCHS.

WE JUST CAN'T WAIT

I'm on call again tonight and it's two a.m.
Dispatch is calling, it's a meth lab again.
God, I'm so tired, but I get up and yawn.
I'll grab a cup of coffee; I'll be out past dawn.
I meet the officers; their faces are red.
We found four kids, and the baby is dead.
Their parents arrested, been cooking meth for weeks.
You see, nothing else matters to meth speed freaks.
The little ones have had no food, the house has had no heat.

They stand in filthy, stinking clothes, no shoes upon their feet.
Those precious little faces, so sadly filled with fear,
No child should feel such sadness, no child should cry such tears.

I want to say, Baby, it will be ok, but I know that's just a lie.
How can anything be ok again, when a little child has died?
We strip them down and change their clothes.
We wash their little faces, and blow their little noses.

We rush to the hospital and blood levels are run.
X-rays and bone scans and liver tests are done.
Phone calls to foster homes, where will they go?
It's 6:00 a.m. in the morning and I still don't know.

Their whole lives have changed, in the blink of an eye.
Their parents are in jail, and baby brother has died.
We have to stop this, we just can't wait,
Because for one more child it's just too late.

JAILER

EXPERIENCED

I have served as Deputy Jailer for the past 14 years in Morgan County. During my 14-year experience I have worked with the local, county, and state, as well as other Law Enforcement Agencies to make Morgan County a better and safer place to live.

I have also served on the 519 and West Liberty Fire Department for 16 years. I take great pride and devotion in the work that I do. I hope to pursue that pride and devotion for future years to come, with our community.

If you vote for me **Phillip "Hoggie" McGuire**, for **Morgan County Jailer**, then **WE** as a community can strive together to make Morgan County a safer, happier place to live.

Lady Cougars improve to 13-4 heading to stretch run

Morgan County beats West Carter, E. Carter and Powell County

By David Patrick

Lewis Co. 1
Morgan Co. 0 (9 innings)
After eight and a half innings of scoreless softball, Allison Chinn singled home Whitney Cooper in the bottom of the ninth inning to allow Lewis County to pull out a 1-0 victory in a thriller over the visiting Lady Cougars. Lewis had managed but two base hits the entire game until Chinn provided the game-winner. Morgan County, on the other hand, banged out 12 base hits, including four multiple hit innings, against Lewis starter Amanda Gilbert. Six times the Lady Cougars had a runner reach third base, including Cassie Bowersock with only one out in the ninth. In all, Morgan put 20 runners on base, but none were able to score.

Even though she took the loss, Lady Cougar pitcher Shandra Lewis was nothing short of fantastic, striking out 12 and walking but one batter in nine innings of work.

Morgan Co. 17
West Carter 3
The Lady Cougars made up for their lack on run production the previous game, getting the most of the 13 hits to rout West Carter in Olive Hill, 16-3.

Leslie Eagle scored runs in the first and third innings to give her team the early 2-0 lead. Eagle would double to score Sam Jarvis in the fourth, then scored again herself on Courtney Lacy's 2-base hit, as the Lady Cougars gained a 5-0 advantage.

Although West Carter managed to get three of those runs back in the fourth inning, Morgan proceeded to blow the game wide open in the fifth, scoring 11 runs on five hits and a pair of walks. The Lady Cougars put up another half dozen in the sixth inning to cap the 16-3 victory.

Leslie Eagle and Courtney Lacy combined for six hits, while Eagle scored a game-high four runs.

Morgan Co. 5
East Carter 4
Leslie Eagle collected a pair of hits and scored three runs to help Morgan County edge visiting East Carter, 5-4.

After the Lady Raiders took an early 3-0 lead in the third inning, Morgan scored two of its own as

Sam Jarvis and Leslie Eagle both singled and scored to trim the deficit to one. East added another run in the fifth to go up 4-2, but Eagle came home on Shandra Lewis' double to pull her team again within a run.

After being retired in order in the sixth inning, Morgan made the most of its final at-bat. With two out in the seventh, Leslie Eagle tripled to keep the Lady Cougars' hopes alive. That was followed by a clutch, game-tying single from Shandra Lewis to knot the score at 5 apiece. Haley Eagle then put the game in the win column for Morgan County with a base hit to score Lewis as Jenny Nickell's team pulled out the come-from-behind 5-4 victory.

Montgomery Co. 9
Morgan Co. 4

The Lady Cougars scored all four of their runs in the first inning, but came up empty the rest of the way, losing a 9-4 decision at Montgomery County.

Sam Jarvis, Haley Eagle, Courtney Lacy and Cassie Bowersock reached via walk or hit and all scored in the opening frame as Jenny Nickell's club raced to the four-run lead. But from that point it was lights out for the Lady Cougar offense as Morgan managed but one hit over the final six innings.

After scoring a lone run in the first, Montgomery tacked on three in the fourth inning, four more in the fifth and another in the sixth to post a five-run home field victory.

Morgan Co. 11
Powell Co. 2

The Lady Cougars scored 11 runs on 17 hits, while Leslie Eagle tossed a complete game three-hitter to cruise to an easy nine-run victory over visiting Powell County.

After going down in order in the first inning, Morgan responded with a four-run second inning to grab the early lead. Powell then cut the lead in half with lone runs in the third and fourth frames before the Lady Cougars added four more in the fifth, highlighted by a home run off the bat of Cassie Bowersock. From there, Morgan played add-on as Leslie Eagle, Shandra Lewis and Haley Eagle all collected hits and scored to make for the 11-2 final.

Leslie Eagle picked up the victory for Morgan, striking out three over seven complete.

Girls tennis team caps 10-1 season with Rowan win

By Lori Keeton

The MCHS girls' tennis team wrapped up the regular season with two 9-0 wins over Paintsville and a narrow 5-4 victory over Rowan County. The three team victories improved the girls' record to 10-1. Senior Alli Nickell picked up three more singles and one doubles victory to cap off an undefeated season. Nickell finished the season with a 13-0 singles record including the EKC singles title and won her only doubles match of the season with Lacy May in the finale against Rowan County.

Morgan Co. 9 Paintsville 0

The girls' had very little trouble beating a short-handed Paintsville team. In the first meet Paintsville came to West Liberty with only three girls. Morgan took the four contested matches and then claimed the others by default giving them a 9-0 sweep. Nickell easily defeated Kelsey Hughes 6-0, 6-0. May defeated Maggie Heaberlin 8-0. Clark defeated Brooklyn Samons 8-2. In the only scored doubles match, Emily McKenzie and May defeated Hughes/Heaberlin 6-1, 6-3. Allie Gregory, Monika McCowan, Kayla Williams, and Chassidy Ison all won reserve matches for the team.

In boys' action, Robbie Helton and Parker May both earned single's victories in the team's 2-7 loss.

Morgan Co. 9 Paintsville 0

For the second time in one week, the Morgan girls traveled to Paintsville who had five girls for the meet. Morgan won all seven contested matches and took the other two by default for the 9-0 team victory.

In singles competition, Nickell again defeated Kelsey Hughes 8-1. Lacy May defeated Maggie Heaberlin 8-0. Danielle Clark defeated Olivia Hunter 8-3. Allie Gregory defeated Brooklyn Samons 8-1. Kayla Williams defeated Katelyn Webb 8-1.

In doubles competition, Danielle Clark and Allie Gregory played in the number 1 position due to Emily McKenzie being out for an injury. Clark/Gregory battled against Paintsville's number 1 team and pulled out a 9-8 (7-2) tiebreaker win. Kayla Williams and Chassidy Ison played in the number 2 spot and defeated Samons/Webb 8-5.

In boys' action, Parker May and Jared Curd won a doubles match 8-0 in the team's 1-8 loss.

Morgan Co. 5 Rowan Co. 4

In the regular season finale, the Cougar tennis team traveled to Morehead to take on 16th region rival Rowan County. After the singles matches were over, the meet score was tied 3-3 leaving the doubles matches to determine the winner. Danielle Clark and Allie Gregory pulled out the final doubles match in a tiebreaker 9-8 (7-3) to give the girls' an edge in doubles competition and the team win.

Alli Nickell closed out her perfect season by defeating Alice Weaver 8-3. Lacy May defeated Kate Perkins 8-4. Allie Gregory defeated Megan Albert 8-4 for the third team point. Danielle Clark lost to Casey James 5-8. Kayla Williams lost to Erica Mitchell 1-8. Chassidy Ison lost to Sara Bradley 3-8.

In other doubles competition, Nickell played doubles with Lacy May and defeated Weaver/Perkins 8-3. Williams/Ison lost to James/Bradley 0-8. Monika McCowan, Kinsey Whitt, and Courtney Sargent all won reserve matches.

The team victory gave the girls' tennis team their tenth victory to only one loss on the year. Congratulations girls on a great season!

Tennis team begins tournament play

By Lori Keeton

The Morgan County High School girls' and boys' tennis teams will compete in the 15th Regional Tennis Tournament at Archer Park in Prestonsburg on Monday, May 15.

The MCHS girls' team enters 15th Region play as the team to beat, holding both the #1 seed in

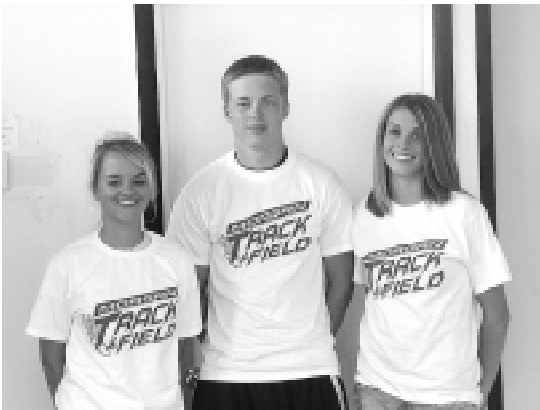

singles, Alli Nickell, and the #1 seed in doubles, Emily McKenzie and Lacy May. The girls team is seeking its second regional team title and first since 1994.

Regional tournament play allows each team to enter two singles players and two doubles teams. Each victory earns a point toward the team competition.

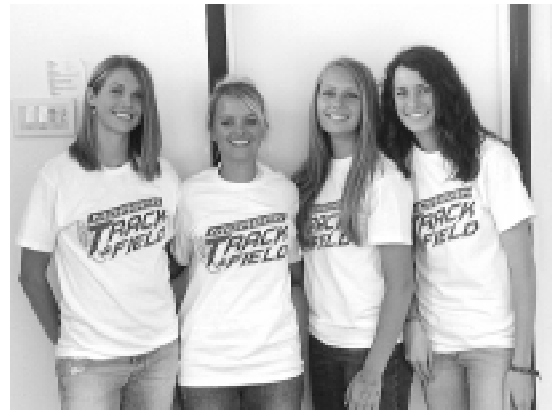

Girls' entries for the tourna-

ment include Alli Nickell and Kayla Williams in singles. Emily McKenzie and Lacy May, along with Danielle Clark and Allie Gregory will be the doubles entries. Chassidy Ison and Monika McCowan will be alternates for the team.

Boys' entries for the tournament were not finalized at press time.

Wes Montgomery, Kayla Kelly, and Ceila Howard swept the jumping events at the EKC Track and Field Meet.

The girls 4x400 meter relay team of Kayla Kelly, Ceila Howard, Tei9la Bolin, and Meredith Stacy won 1st place in the EKC.

Cougar jumpers sweep at EKC meet

Girls 4x100 meter relay team earns gold medal with commanding win

The Cougar Track Team had great success in the EKC Tournament Saturday at Rowan County High School.

The Cougar jumpers swept the jumping events. Kayla Kelly placed first in the long jump with a 16'6" effort — an automatic qualifier for the state tournament. She out jumped her nearest opponent by nearly 3 feet.

Ceila Howard was first in the triple jump with a jump of 29'6". Wes Montgomery picked up golds in both the triple jump and long jump with a 20'4" effort in the long jump and 41'6" in the triple jump.

According to Coach Donna Robinson, her jumpers are currently the best in the region and

will have a good chance to make it to the state meet.

The girls 4x100 meter relay team brought home a gold with a commanding victory. The relay team includes Kayla Kelly, Ceila Howard, Teila Bolin, and Meredith Stacy.

Meredith Stacy also medaled in both the 100 meter and 200 meter dash, placing 3rd in each event.

Teila Bolin ran a strong 3200 meter run, ending with a time of 14:24 and a third place medal.

Lacy Eagle posted strong performances in the shot put and discus, medaling in both. Eagle placed 2nd in discus with a throw of 68'5" and a 26'2" heave in the shot put.

Bridget Hamilton also placed in the discus, coming in 5th with a throw of 58'0".

Kayla Kelly placed 4th in the 100 meter dash with a time of

13:62. Wes Montgomery placed 2nd in the 100 meter dash, receiving a silver medal with a time of 11:96.

Krystal McKenzie placed 7th in the 400 meter run and 5th in the 800 meter run. Brandon Ward placed 5th in the 200 meter dash, and the boys 4x400 relay team of Wes Montgomery, Brandon Ward, Wes Stacy, and Josh May earned an award, finishing in 5th place.

The girls team placed 3rd overall, even though they didn't have enough members to enter all events. According to Coach Robinson, the girls on the team are placing so high in their events that it has allowed the team to place 3rd overall in the last two tournaments.

The team has two home meets this week and will travel to Russell for the Meet of Champions on May 16.

McCowan and Peyton sign national letters of intent

McCowan headed to Transy, Peyton decides on Union College

By David Patrick

They were among the 16th region's best players this past season, now Cougar seniors Blake McCowan and Nathaniel Peyton will take their respective talents to the next level. On Monday, McCowan made it official by signing a national letter of intent to play college basketball at Transylvania University. Peyton followed that two days later with a commitment to Union College in Barboursville.

For both players, it was the fulfillment of a life-long dream to play at the collegiate level. McCowan chose Transylvania over Centre College and Morehead State.

"I'm really excited and feel in my heart I've made the right decision," said McCowan on signing with the Pioneers. "I just wanted to set myself up for a good future both academically and athletically. Since I was a little kid, I've always heard about Transy and what a great school it is. It seems like everybody who attends there is very proud of their school and what it represents. I want to be a part of that."

Peyton attracted Union's attention after leading Morgan County in scoring at over 16 points per game. While Union was actively recruiting Nathaniel prior to this season's end, the coaching staff got a real glimpse of his talents during the Cougars' matchup with Elliott County in Sandy Hook. Peyton enjoyed a career-high 29

points as Morgan dismantled the Lions during senior night. Nathaniel says he's now ready to prove himself against college competition.

"I'm excited and ready for the challenge," Peyton said. "This is what I've always wanted to do. I'm going to work hard this summer, hit the weights and prepare for college basketball."

Peyton will be coached by Kelly Combs at Union, while McCowan will play for Brian Lane. Blake will also be joined by another local product, Wolfe

In accordance with KRS 350.055, notice is hereby given that Mine Rite Coal Co., Inc., 22 Noisy Branch Road, Keaton, KY 41226 has applied for a surface and underground mining and reclamation operation located approximately 1.7 miles southeast of Moon in Morgan County. The operation will distrib 26.27 surface acres, and will underlie 545.50 acres, and the total permit boundary will be 571.77 acres.

The proposed operation is approximately 0.28 miles northwest of the junction of KY 172 and the Cindas Creek Road, and is approximately 1/2 mile north east of Paint Creek. The operation will use the contour, underground, and auger methods of mining.

The proposed operation is located on the Dingus 7 1/2 U.S.G.S. minute quadrangle map. The surface area to be disturbed is owned by Gary Turner.

The application has been filed for public inspection at the Department for Natural Resources Prestonsburg Regional Office at 3140 South Lake Drive, Prestonsburg, KY 41653. Written comments, objections, or requests for a permit conference must be filed with the Director, Division of Mine Permits, #2 Hudson Hollow, U.S. 127 South, Frankfort, KY 40601.

"NOISE CONTROL" PUBLIC PEACE AND WELFARE (An addition to Title 9 of the West Liberty Municipal Code)

ORDINANCE #92491

SEC. 9.0
UNLAWFUL NOISES PROHIBITED; EXCEPTIONS; SPEICAL VARIANCES; PENALTIES;

(a.) Unlawful noises prohibited; It shall be unlawful for any person to make, cause to be made, continue or permit any excessive or unreasonably loud noise or any other raucous sound, considering the time, date, place, and nature of such noise or sound, that annoys, disturbs, injures, or endangers, the comfort, health, peace, safety, or repose of other persons or ordinary sensibilities, in any residential zone within the city.

(b) Unlawful noises emanating from motor vehicles on public right-of-way; No person operating or occupying a motor vehicle on any publicly owned property, park, right-of-way, easement, alley, off street parking lot, or any other area to which the public has access, shall play, use, operate, or permit to be played, used, or operated, any radio, tape player, cassette player, compact disk player, loud speaker, sound amplification system, or other device designed to generate, amplify, and/or reproduce sound, from within the motor vehicle in such manner that the sound is plainly audible by another human being at distance of fifty (50) feet from the device producing the sound. For the purpose of this prohibition, "plainly audible" means any sound which clearly can be heard, by unimpaired auditory senses based on a direct line of sight of fifty (50) or more feet; however, words or phrases need not be discernible and said sound shall include bass reverberation.

(c) Exceptions: The prohibitions set forth herein shall not apply, and it shall be a defense to any prosecution hereunder, if an otherwise unlawful noise was emitted from:

(1) Any siren, whistle, horn or bell lawfully used by emergency vehicles or any other allann systems, including property operating vehicle alarms, used as a warning of danger or the presence of public safety officials acting within the course and scope of their authority.

(2) Sirens, whistles, horns, bells or other ambient noises emanating from persons or sound devices in association with community wide festivals, parades, church activities, organized school related programs, activities, or sporting events or other public events or activities sponsored and/or authorized by the city.

(3) Any noise made, or caused to be made by any person that is reasonable and necessary under the circumstances to prevent imminent risk or death or injury to persons or property damage.

(4) Any domestic power equipment, including but not limited to, lawn mowers, weed eaters, blowers, mulching equipment, or edgers, commonly used for routine house-hold and/or lawn care maintenance.

(5) Any commercial power equipment operated in the ordinary course of business.

(6) The operation and maintenance of airplanes, aircraft, locomotives, trains, brush chippers, vacuum leaf loaders, street sweepers, tractor-mowers, sanitation removal and refuse collection vehicles, or any other city service vehicle or equipment.

(d) Special variance:

(1) The Mayor shall have the authority, consistent with the subsection, to grant special variances relative to noise disturbances that would otherwise violate the provisions of the section.

(2) Any person seeking a special variance pursuant to this subsection shall file an application with the Mayor, no less than twenty (20) calendar days prior to the date on which the special variance is sought to be effective. The application shall contain information which demonstrates that bringing the source of sound or activity for which the special variance is sought into compliance with the subsection would constitute an unreasonable hardship on the applicant, on the community, or on other persons; that the activity, operation, or noise source will be a temporary duration and cannot be done in a manner that would comply with the provisions of this section; that no reasonable alternative is available to the applicant; and that the applicant will comply with all time, manner, and place restrictions deemed reasonable and necessary by the Mayor, under the circumstances. The applicant shall give notice of its application for a special variance, by regular mail, to all persons who own and/or occupy the real property adjoining the site for which the special variance is sought, not less than fifteen (15) days prior to the date on which the special variance is sought to be effective. Proof of the notice required herein shall be given by the applicant to the Mayor. The failure of the applicant to give actual notice to all adjoining property owners and/or occupants shall not be fatal, in and of itself, to applicant's request for a special variance. Any individual claiming to be adversely affected by allowance of the special variance may file a written statement with the Mayor, containing any information to support his or her position. Said statement shall be filed not less than seven (7) calendar days prior to the date on which the special variance is sought to be effective.

(3) In determining whether to grant or deny the application, the Mayor shall consider the duration, manner, and location of the proposed noise source; shall balance the hardship to applicant, the community, and other persons of not granting the special variance against the adverse impact on the health, safety, and welfare of persons affected; the adverse impact of the proposed noise source on property affected and any other adverse impact of granting the special variance; and whether or not a reasonable alternative with less adverse impact on surrounding people and properties is available to the applicant. Applicants for special variances and persons objecting thereto may be required to submit additional information to the Mayor. No application for a special variance shall be denied on the basis of the content of any noise source proposed by the applicant. In granting or denying an application, the Mayor shall place on public file with the city clerk and the police department, a copy of the decision and reasons for denying or granting the special variance.

(4) Special variances shall be granted by notice to the applicant containing all necessary terms and conditions upon which the permit has been granted, including but not limited to, the effective date, time of day, location, and equipment limitations, if any. The special variance shall not become effective until all conditions are agreed to by the applicant. Non-compliance with any conditions of the special variance shall terminate it and subject the person holding it to those provisions of this section regulating the source of sound or activity for which the special variance was granted. Any application for extension of the time limit specified in a special variance or for modification of other substantial conditions shall be treated like a new application for a special variance.

(5) The Mayor may issue guidelines defining the procedures to be followed in applying for a special variance, and any additional criteria not inconsistent with those set forth herein, that may be considered in deciding whether to grant or deny a special variance.

(e) Penalties: Any person who violates any provisions of this section shall be guilty of a violation upon conviction thereof, shall be punished by a fine not to exceed two hundred fifty dollars (\$250). Each such violation shall constitute a separate offense.

REQUEST FOR BIDS FROM CERTIFIED INSTALLERS FOR SEPTIC SYSTEM INSTALLATIONS BID #18-00-24

The Gateway ADD in conjunction with PRIDE (Personal Responsibility In a Desirable Environment) is soliciting bids from installers desiring to install septic systems for southern and eastern Kentucky. The successful bidder will be required to complete installation of the systems within sixty (60) days of the date of the award.

The Scope of Work, Request for Bid, and General Conditions is available upon request.

Interested installers should send statements and proposals to Gateway ADD, P.O. Box 1070, Owingsville, Ky. 40360 until May 22, 2006, at 4:00 p.m. Faxed or email proposals will not be accepted. Liability insurance in the amount of \$300,000 and proof of worker's compensation insurance or a worker's compensation exemption form is required with each bid.

A selection committee will review, evaluate, and rate each bid based on their submitted Bid. The Gateway ADD will contact the installer with the winning bid and enter into negotiations. If the parties are unable to negotiate a satisfactory agreement, the second ranked installer will be contacted. Once an installer has been selected, all unsuccessful installers will be promptly notified. The Selection Committee will adhere to the provision of Title VII of the Civil Rights Act of 1964, Section 3. No person shall be excluded from participation in, denied benefits of, or subjected to discrimination in the implementation of this program on the grounds of race, color, national origin or sex. Female and minorities are encouraged to apply.

The National Oceanic and Atmospheric Administration provides funding for this project. The formal solicitation of seeking qualified installers is being conducted to fulfill the requirements of the funding agency.

JOHNNIE R. SMITH

Candidate For

MAGISTRATE

District 4

I, Johnnie Ray Smith, would like to take this opportunity to announce my candidacy for Magistrate in District 4, Ezel and Chapel precincts.

I am the son of the late Wyck and Ruth Schneider Smith, the stepson of Fay Manning Smith. I have two sons, J.F. and Craig; a sister, Liz Smith; two stepsisters, Anita Williams of Lacy Creek and Marilynn Campiglia of Texas; and two stepbrothers, Keith Manning of Grassy Creek and Scott Manning of Flemingsburg.

Over the past few months I have tried to get to talk with each of you in District 4. If I've missed some of you, I'm asking for your vote and support in my bid for Magistrate.

My promise to you, if elected, is to do the very best for this community and county that I can.

You may contact me at home by calling 725-4661 or my sister at 725-4660.

State Police offer summer safety tips for children

During the summer months, most children spend a lot of time playing out doors. The Kentucky State Police offer the following safety tips to help you spend a safe, enjoyable summer:

On the Playground:

- don't run with sharp objects in your hand, or with anything in your mouth.
- Be careful not to walk in front of a moving swing.
- always sit, never stand, on a swing.
- Always wear shoes around a playground to avoid cutting your feet on glass or the playground equipment.
- Never talk to or go anywhere with a stranger (someone you don't know).

Near Traffic:

- Don't run into the street from between parked cars. A driver may not be able to see you in time to stop his car from hitting you.
- Cross the street only at the crosswalks.
- Never play in the street while there is traffic. You must watch for cars because the driver may not see you.
- Always look both directions before crossing the street.

In the Sun:

- Wear light weight, light colored, loose fitting clothing to allow your body to cool off.
- Slowly build up the time you spend in the sun. Avoid bad sunburns by building up a tolerance to the sun.

- Try to stay in a cool place if possible, such as the shade provided by a tree or sun cover.
- If you are fair-skinned, wear a t-shirt all the time, even when swimming. Wear sun-blocking lotions.
- Drink plenty of fluids.
- Carry a card with your home address, parents' names and phone numbers on it.
- If lost in a store, go to the cash register and ask an employee for assistance.
- If lost on an outdoor activity, stay where you are and wait for someone to find you. Do not panic and start to run around trying to find your friends or family. The first place someone will look for you will be the last place that they saw you.
- If there is a policeman nearby, you can always ask him/her for help.
- Never accept a ride from a stranger.

Bicycle Safety:

- When walking, always walk against traffic. When riding a bicycle, however, you always ride with traffic.
- Remember to use hand signals to warn other drivers of your intentions. Always stay to the far right side of the travel lane.
- Always remember to obey all the traffic signals and signs. Bike riders must stop at stop signs and red lights, just like cars do.
- Watch out for road hazards such as loose sand or gravel, storm grates, open car doors, barking dogs, and traffic turning to the right or entering the street.

In Your Yard:

- Stay away from power mowers. They can throw things out like rocks or wires that can cut you.
- Don't play in old refrigerators or anything else that you might get trapped in.
- The barbecue grill is for mom and dad to use. Never play with the grill, matches, or lighter fluid.
- Look before you reach. The summer months are times when there are lots of bugs and spiders about. Don't reach into corners or dark areas of your garage before you look for spider webs. Spiders such as the black widow live in these areas and can hurt you if you are not careful.

Morgan County school board member Marshall Jenkins was presented his Level Three Certificate from the KSBA Academy of Studies by Board Chairperson Jane Smith at the board's May 8 meeting.

Local schl. board member earns Level 3 certification

Morgan County Board of Education Chairperson Jane Smith presented Marshall Jenkins with his certificate and pin for his achievement of Level Three Certification in the Kentucky School Boards Association (KSBA) Academy of Studies.

The KSBA Academy of Studies training covers areas such as using student achievement data to set district goals and plan budgets, compliance with new state and federal education laws, superintendent selection and evaluation, school construction, strategic planning,, policy develop-

ment, and effective community involvement.

"School board members who have exceeded what the law requires are showing just how committed they are in keeping abreast of what's new and improved in education," said KSBA President Brenda Jackson. "They've given up evenings and weekends to learn how to be more effective leaders for their communities and the students in their schools."

Established in 1936, KSBA is Kentucky's largest voluntary association of local elected officials.

VOTE CHRIS ADAMS Magistrate District #1

To all the voters of District #1:

I would like to say thank you for the time you have given me throughout my campaign. For those that I didn't get to, I apologize. Please remember as you go to vote, that I am **FOR** the following:

- FOR** the children — for continued recreation and a drug free environment.
- FOR** the District — for everyone in the District.
- FOR** the County — for cooperation with all elected officials to make the county better.

Statement By DARRIS SMITH

I have proudly and honestly been dedicated to serving District 2 for the past 16 years. Look around and I think you can see that I've been a strong voice for the District. I have done my very best to improve our District.

During my terms I have attended every Fiscal Court meeting. I have requested and been able to see numerous improvements. Compare your roads and bridges. Since I became Magistrate, many roads have been replaced with blacktop, as well as bridges have been replaced with concrete and county water made available to a multitude of homes.

It is my responsibility and intention to stand up for our District. You, the people of District 2, know you can count on DARRIS SMITH to continue to help and support our District and continue to improve future projects.

Statement By Jason D. James

In the last couple of months myself and several of my supporters have visited many of your homes. During this time many of you have asked a couple common questions;

1) What makes me qualified to be your next Morgan County Coroner?

I have been employed by, and served the people of Morgan County for nearly a decade thru our local Ambulance Service. I am a Nationally Registered and Kentucky Licensed Paramedic. In 2005 obtained certification thru the University of Maryland as a Critical Care Paramedic. I have volunteered thousands of hours with Morgan County's volunteer fire departments and rescue squad, have taken numerous courses through the National Fire Academy and am a graduate of the Kentucky Department of Criminal Justice Training's Communications Academy.

2) What will I do different if I am elected Morgan County Coroner?

Throughout my career in Emergency Medical Services I have been fortunate to get to work in numerous counties throughout eastern KY, with this I have been able to work with many different Coroners' Departments. If elected I will draw from this experience and develop an efficient and proactive Coroner Department for Morgan County that incorporates the proven strong points from neighboring counties, as well as some ideas of my own. One of these will be for the Morgan County Coroner's Department to play a role in the prevention of deaths. This can be done in several ways, such as, working with local Law Enforcement and UNITE to fight the abuse of drugs in Morgan County.

Should anyone wish to discuss these or any other questions or concerns please feel free to contact me.

For nearly a decade you have in trusted me with the most precious of all things, the life's of you and your loved ones. I ask that you continue to allow me to serve you the people of Morgan County, by electing me as Morgan County Coroner.

I believe every Morgan Countian deserves the up most respect and dignity.

Memory Hill
& Roundabout

By Hazel B. Craft

May 8--The past two weeks have witnessed many exciting and interesting events and some sad ones.

a dear friend, Zola Davidson, of Hazard, passed away the past week. I think her funeral was on Thursday. I was so disappointed to hear of her passing and very disappointed I didn't hear of her passing so that I wasn't able to go to her funeral. She was a special friend to Wardie and me. In fact, she was the one who started the idea of the mausoleum for Wardie and me. She contributed \$1,000 toward its erection. So did Clayton and Elsie Montgomery. Wardie and I returned their money. We told them we didn't want other people paying for our burial. Zola wouldn't take her money. \$500 of it was given to Memory Hill Foundation and \$500 to the church. Clayton also received his donation--\$500 of it was given to Redeemed Church. Zola was a resident of the Hazard Nursing Home. Several of us that attended the Samuel Memorial Church, at Lothair, the first Sunday in May went by the nursing home to visit her and her sister, Nell. She had been admitted to the hospital a few days before. We did get to see her sister, Nell, who is in a bad shape.

So many of our friends are leaving us. So sorry to hear of the passing of Forest Sallie, of Lee City--husband of Oleta Crase Sallie. I had her in first grade. Sorry I was unable to attend his funeral. Deborah, my daughter who lives close to the Brushy Fork Church, said there was a large crowd at the visitation and the funeral.

Sincere sympathy is extended to the families of the above and all others who have lost loved ones.

Also prayers and best wishes are extended to the sick and shutins. Some of them include Corda Perry, of Georgia, Rossetti Adams, of Caney, who is having several problems--massive heart attack and pneumonia. She is at home now. Corda and Rossetti are the last two survivors of the Alonzo Craft family; I am the only in-law. I was so sorry to hear of the illness of Marshia Reed Patrick. Bonnie Cox told me at church yesterday that her sister-in-law was feeling some better after starting her chemo. She is the daughter of the late Bill and Myrtle Cox. Also Sophie Blevins, of Grant Park, Illinois, needs our prayers and best wishes. Georgia and Estill Fugate keeps me in-

formed of her condition. Her husband, Herman, is buried in the Memory Hill Cemetery. For the past two weeks I have had problems with my left leg--severe pain when walking. The past Tuesday I had an appointment with Dr. Schneider, of the Cave Run Clinic. She said I had a sprained muscle and it would take around a month for the pain to subside. Day by day the pain when walking grows less. Thankful for that.

I want to sincerely thank Fred Charles for the beautiful little log cabin which he donated to Memory Hill. He is now around 91, said he has a log cabin that he made when he was 14.

I have had several telephone calls within the past two weeks. Some of them include Doug Hall, Estill Fugate, Kathy Bailey, Angela Jackson, Joy Pisciotto, Rick Holbrook, and several of my neighbors. Also received an interesting call from Vernetta Sargent Evans. She gave me some interesting information concerning the last picture in the L.V.C. Some in the picture include Loraine Wingo, Sonia Sargeant (sister of Vernetta), Robert Lee Blair. The picture was taken around 1945. I probably will receive more information. Thanks, Vernetta, for your information. 1945 was the year the Caney School burned. I saw where Lynn Nickell mentioned this sad event in last week's paper. And a sad one it was. Hester Arnett, Wardie and I were teachers and had around 100 children. My sister, Joy Pisciotto called and talked about the event. She said she was in the 8th grade and distinctly remembered me carrying out a desk from my room--just minutes before flames covered the rooms. I remember very well seeing the flag surrounded by flames being taken down by a couple of girls. Ova O. Haney saw the building on fire while passing on highway 191. He rushed over and informed us that the three teachers and 100 students would be taken to the

Cannel City School. There was no room for Hester Arnett Burton and me. Two rooms were erected at the end of the auditorium. That was the beginning of Wardie and my teaching years at Cannel City.

As has been announced several times, there will be a Cannel City Alumni meeting May 27 beginning at 1:00. Hopefully I will get to meet many of the students I taught in this grand old school. I told Joy I hoped she and Georgia could both be present. Joy graduated from there in 1950 and Georgia attended before moving to Chicago. While at Cannel City I taught grades one, two, three, fifth, and sixth. I have many fond memories. Please, all the students I taught in these grades be present. I want a large picture of these students to hang in the log school house.

Thanks, Ezra Salyers, for the nice plants you donated. I set in the little flower garden around the spring. Also thanks to Licking Valley RECC for cutting the two tall trees and trimming the willow that were growing into the electric lines.

I still have a few great books on the Bach-Back genealogy and great books they are. Tilden Bach wrote the books and donated them to Memory Hill. The proceeds will be used to attach a monument slab to the present stone, along with the latest information on our big family. If you don't purchase these books, you will be sorry when they are all

gone. Also please, descendants of John and Catherine Roberts Back supply Tilden with your family history--especially the new generations. Send to me and I will see that Tilden gets it.

Janis (Rossetti's daughter) has already supplied me with her information of the James and Rossetti Adams family. Tilden is now beginning this book. Also we are doing a revision of "The Life and Times of Wardie and Hazel Craft" with much more information and pictures galore. If you have pictures please send them. They will be returned. Rick Holbrook (son of Clyde and my first cousin) bought two of the books on his recent trip. He was so pleased with them.

A picture of the 1967 Morgan County High School graduating class will appear in the L.V.C. at a later date. The picture will eventually be framed and hung in the log school at Memory Hill.

Mary loved church, but her sister didn't. One day Mary said, "Let's play church." "All right," answered her sister, "but let's play I'm absent."

Too many do. But the Living Bible says, "Let us not neglect our church meetings, as some people do."

Going to church doesn't make you a Christian any more than going to a garage makes you an automobile. But if you're a Christian, you'll love God's house and God's book.

You'll read up, pray up, sing up, and never give up or shut up until the cause of Christ is built up.

Too many church members hear without heeding, read without responding, profess without practicing, and confess without changing.

The West Liberty Police Department, in conjunction with state and other local law enforcement agencies, will participate May 14, 2006, through June 4, 2006, in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's It's Enforced" campaigns. During this period, patrols will focus greater attention on traffic violations, especially safety belt usage.

Hello, to all the people in District #2. I wanted to let everyone know that; even if, I don't make it out to see you before election time, I would truly appreciate you considering me for Magistrate. I was born and raised here in Morgan County, so most everyone is family. I just wanted to say if your hearts not already obligated, I would really be thankful to get your vote. My promise to you is to be the person you already know I am: honest, friendly, kind and "A Voice For The People!"

ELECT TIM SMITH

Magistrate Dist. 3

Hi, I am Kordell Tim Smith's 8 year old son. I know my dad is running for Magistrate. Here are 3 good reasons you should vote for my dad. This is a good reason you should vote for my dad. My dad is trustful. If people want him to do things for them he will do it for them. SO promise me you will trust him. Here is another reason you should vote for my dad. He is honest. When my dad tells you that he will do something for you he is honest about it. He doesn't forget about it. Last but not least this is the best reason you should vote for my dad. He keeps a promise. When he promises you he will do something for you he will do it and if its not done in a week or two he is having something to do with me. So these are 3 reasons you should vote for my dad.

What You Should Know About Roger Benton Before You Cast Your Vote

I've often thought to myself—why do we wait to say the things that we want others to know about a person we love until we write their obituary? Have you ever read a bad obituary? One where the writer hopes they can possibly say negative about you and hope everyone remembers something bad about you? No! We hope we are remembered for good deeds, good heart, family person, hard worker, and most importantly a Christian person on their way to meet Jesus. Why don't people already know and seek out the good in others? Who truthfully knows? Maybe it's that we like to talk, possibly too much. Many like to hear and thrive on the bad in other peoples' lives. Many are quick to say, "Have you heard?" But the talk always seems to slow when the talk hits homes, hits our hearts.

- I've heard time and time again that Roger Benton was the best Sheriff Morgan County ever had.
- I've heard Roger Benton came out anytime you called day or night.
- I've heard Roger Benton came out to homes in a matter of minutes by himself ready to help.
- I've heard Roger Benton stopped bootleggers in Morgan County.
- I've heard Roger Benton took home teenagers whose parents couldn't find them.
- I've heard Roger Benton took off his coat and gave it to a person who was standing outside in the cold after a bad wreck.
- I've heard Roger Benton went to large parties, took keys, and made sure everyone had a safe ride home.
- I've heard Roger Benton patrolled the roads all over the County.
- I've heard Roger Benton was never afraid to answer a call.

I've "heard" with Roger Benton could go on forever. Most importantly to sum it all up—He was the best sheriff this county ever had!!

If you were too young to remember, just ask an elder who remembers when Roger Benton was sheriff. They may even say to you Roger Benton took me to jail many times, but he helped me change.

Across the county people remember the sheriff Roger Benton was! We didn't have young people dying like we do now. We didn't have people losing their jobs, their homes, and their families over drugs. YES—times have changed but the sheriff Roger Benton was hasn't!

- o Roger Benton will still do the things he was known for.
 - o Roger Benton will work to stop drugs in our county.
- Time is running out for Roger Benton to be elected Sheriff. Why not make the decision to make our county a safer place. How many more lives and souls have to be lost before we make a sound decision about the sheriff our county needs.

Roger Benton is a family man year around, a hard worker year around, and an honest Christian man year around. Our county needs Roger Benton for Sheriff.

I was too young to remember much about the Roger Benton, Sheriff Legacy. However, for 31 years I've lived it. Roger Benton is the strongest man I've ever known. Not everyone has had the opportunity to have his help everyday of their life. If it weren't for Roger Benton my life would be void. I know Roger Benton will give this county what we need!

There are those of us who have kids in the 4th and 5th grade. They are our babies. Do you realize during this upcoming term our 4th and 5th graders will be our 8th and 9th graders? If our county continues down the drug path its' on, our babies may be the next statistic!! I ask you the parents, grandparents, and people of this county-PLEASE change the path we are on. Roger Benton will make a difference.

I've seen first hand where Roger Benton's heart has been the last 14 years. He misses the job he loved. I can't give that back to him alone. I know what I've heard. Not because I've asked, but because people cared enough to tell the good about Roger Benton.

Roger Benton will bring integrity, honesty, hard work, and Christianity to the Sheriff's Office.

Help me elect Roger Benton for Sheriff
Again, we can make this possible by voicing and casting our votes.

- He will be the effective Sheriff you remember.
- The Sheriff who was always there to answer your calls.
- The Sheriff who I sat beside in church in uniform for the 10 years he was in office.
- The Sheriff who sometimes had to leave Christmas, Thanksgiving, and Birthdays to help someone in our county.

Our family will sacrifice our time with Roger Benton in order to give this county the help it needs and deserves.

How do I know this about Roger Benton? I've been proud of him for 31 years, and supported him for 31 years, and loved him for 31 years. He gets up 30 minutes early every morning just to read his bible before going to work. He lives what he talks. He will do what he says. He will be there for you the way he has been there for me. Roger Benton is my Dad, and he will be a great Sheriff again if given the opportunity.

VOTE ROGER BENTON FOR SHERIFF
Time Is Running Out For You To Elect The Sheriff So Many Of You Have Told Me About!

I love you Daddy, Allison

State Police to step up traffic stops, patrols

Capt. Keith Craycraft, Commander of the Kentucky State Police Post at Morehead, announced this week that troopers will be conducting safety checkpoints and moving patrols throughout the Post 8 area throughout the month of May.

During the Memorial Day weekend holiday period, Friday, May 26, through Monday, May 29, additional emphasis will be placed on the "Buckle Up Kentucky" program.

The "Buckle Up In Your Truck" campaign begins May 14 and continues through June 5.

This concentrated enforcement effort will utilize members of the Selectivetraffic Enforcement Program (STEP) in addition to other troopers assigned to Post 8. Emphasis will focus on enforcing violations of the speeding, seatbelt, child restraint, and impaired driving laws, as well as other violations of traffic and criminal laws.

Capt. Craycraft said anyone who spots a drunken or reckless driver or other traffic violation, observes a collision or traffic hazard should report the incident by dialing toll-free 1-800-222-5555.

Memorial Day service set at new cemetery

A Memorial Day ceremony to honor service men and women who have died in the service of the country and those who served and have passed on is planned Monday, May 29, at the new West Liberty Memorial Gardens and Mausoleum.

The Cemetery and Morgan County DAV Chapter 132 have joined to present the ceremony, which will begin at 11:00 a.m.

The ceremony will be brief and will include prayer by DAV

Chaplain Paul Henry, remarks by Judge Executive Tim Conley, and patriotic selections by vocalist Aerial Frederick.

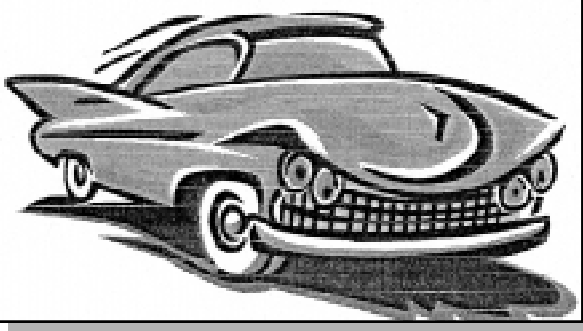

Food and drinks will be provided.

The cemetery is located on Wells Hill at the end of Davis Lane off Neal Valley Road. The public is invited to bring family members and friends. Plenty of parking space.

For more information, call Rick Burrough, 743-9282.

Elect Jon Brown Magistrate District 2

To the people of district 2, Crockett and Dingus:

As most of you know, I have spent the past few months meeting the people of our district that I would be representing should I be elected. I would like to thank the people for taking the time out of their busy schedules to speak with me. It is important to me that you know that if you elect me as your Magistrate I

will work just as hard for you after the election as I am working now to become elected.

As I have been going door to door in our communities, some residents have not been home. So I would like to take this opportunity to tell you a little about myself. To begin, I am a lifelong resident of this area and a member of Elk Fork Lodge 755. I am married to Tracy Phipps Brown and we have two children. Caleb is four years old and Shelby is one year old. I am the son of Sam and Vonia Brown of Highway 172. I am the grandson of the late Gene and Norma Brown, as well as Susie Ferguson and the late William Ferguson. My late great-grandparents were Lena and Marvin Brown.

While attending Morehead State University as a full time student I worked weekends at Toyota in Georgetown. When I left MSU I became a superintendent for Intech, a construction company that specializes in the repair and building of bridges. Here I supervised a crew of approximately fifteen and spent much time working with county and state employees. Since this job required extensive travel and long periods away from home I took a job with Appalachian Fuels, a coal company that has been my employer for the past five years.

I am a dedicated, hard worker who will work just as hard for our district and our county. I will represent everyone honestly and with great respect. As the father of two small children and a resident of our district and county I have the same interest and desires for our community as you do — to make our district and our county the best it can be.

When you go to the polls May 16th I would like to ask you to consider me worthy of your vote, and with your help I will be a voice for our district.

IN MEMORIAM

**Mother's Day Remembrance
In Loving Memory Of My
Dear, Sweet, and Precious
Mother, Cynthia Stevens, on
Mother's Day, May 14th**

God bless you mother in Heaven. You were such a wonderful mother and grandmother. You always worked hard for your family and raised your children and taught them right from wrong and took us to church and Sunday school. Thank you, dear mother, for all you have done for us. You are loved and appreciated very much. We'll never forget you, precious mother. Someday we'll meet you in that promised land.

BIRTHDAY REMEMBRANCE

**In Loving Memory Of My
Sister,
Elsie Stevens King,
Whose Birthday Was May 2**

She is sadly missed by her family and friends. She is the mother of two sons and they live in New Albany, Indiana. She is the daughter of the late Isaac Stevens and Cynthia Stevens, of Elliott County. Elsie was a wonderful wife, mother, and sister. She passed away Jan. 1, 1987. She'll never be forgotten by all her loved ones. Someday we'll meet you in Heaven, around God's great white throne.

Sadly missed and lovingly remembered by your sister, Alpha Clevenger, and all your family.

IN MEMORIAM

**In loving memory of Hassan
Clevenger on his birthday, May
17th**

The Promised Land

When times were hard and seemed so bad, you never gave up. You gave all you had, you put your life in God's hands. Now he's leading you through the promised land, you've got a new body with no aches or pain and, you'll never be sad or suffer again. Your eyes sparkled with so much love. Now they sparkle in Heaven with the stars above. We all loved you so much and hated to see you go. But you're in a better place where we would all love to go. God blessed us with you for a while. Now you're in Heaven with a beautiful smile.

IN MEMORIAM A Birthday Message In Memoriam Of

Aura Mae Johnson

(Written by Anna Marie Prince)

This birthday message is for you Mom. May 7th you would have celebrated your 83rd birthday.

Mom, the month of May is here again, the month you and I shared our birthdays

The beautiful flowers that you loved so well are in bloom. Down here they will bloom and fade away, but up there they will bloom always.

Up there when birthdays come and go, and no one there will ever grow old.

Up there we will all love forever more.

It has been seven months since God called you to your new home far away.

I often thin about how fast the years go by.

Wish you could have gotten strong and able to go back to your earthly home.

But that was not in God's plan because he called you to your heavenly home in that new land.

Since I lived a far distance away and could not visit with you every day

I often tried to visit with you on

your birthday and celebrate with you and spend time with you alone.

So Mom, since I can't come and visit with you, because you have gone to your heavenly home, I wish you happy birthday. And Mom, even though I am sad, that God called you far away, I know you are free from pain and worry that down here you had to carry.

I will never understand why God came and took you to your new home, at a time when I was so far away and could not be by your beside on that day, and say good-bye to you before God took you by the hand and welcomed you to that far away land.

So, Mom, if you are looking down from above, happy birthday with all our love and know that we miss you very much.

Sadly missed by your daughters, Anna Marie Prince, Mary Etta Easley, and Essie Gay Creech; and sons, Chester, Clinton, Alfred, Johnny, and Charlie Johnson

Happy Mother's Day
Say Hello To Our Mother**

Dear God,
Would you say hello to our mom,

We love her and miss her so,
Tell her we're doing just fine down here,

I'm sure she would want to know.

For years she was with us and took such good care,

In many ways her love she did show,

You can see, dear God, how it was hard for us to stand back and let her go.

But thank you, dear God, for the time that we had,

Those days now a precious memory.

And for the peace that comes from knowing within that, with you, she is happy and free.

ROGER BENTON
For
**Morgan County
Sheriff**

This is my last opportunity to ask for your support and vote this Tuesday. However, first I would like to express my gratitude for your many kindnesses and the hospitality shown toward me as I electioneered with you. Over and over you have stated to me that you want change and that you want help with the many drug issues facing our county. This has been my promise and my platform throughout my campaign; that I will answer your calls and fight the drug dealers in our county.

I feel that I have more to prove to you, the people of Morgan County, than any of the other candidates running for sheriff. Because of this, I will work harder than anyone else would at being the very best sheriff possible! Give me this opportunity to prove this to you. Vote Roger Benton this Tuesday. Your vote is certainly appreciated.

WHAT TO DO IF YOU FIND A BABY ANIMAL

Do you know what to do if you find a baby animal lying by itself in the wild? In most cases it hasn't been abandoned. If its not visibly injured, leave it alone!

Often until a fawn becomes strong enough to keep up with its mother, it will spend its day alone while the mother searches for food. Mothers will usually return to their young.

In Czechoslovakia, authorities moved a 15th century church, all 12,000 tons of it, to make room for a coal mine.

At a cost of twenty-five million dollars, and at a speed of about an inch a minute, it took them about a month to move the church half a mile down the road.

One of the great songs of the church reads, "Like a mighty army moves the Church of God." But I wonder how long it takes to move some churches to obey the Great Commission.

Our Lord commanded, "Go into all the world, and preach the gospel to every creature."

It's about time we put some expression to our impression, some motion to our devotion, and go with the gospel.

An Alabama family was helped through donations of three Kentucky Skills U.S.A. clubs. After the tragic hit from Katrina, Lenville Martin, Floyd County ATC principal, decided to use his time and talent to help. Lenville contacted the Morgan County ATC principal, Bob Martin, and Millard ATC principal, Jim Bob Hamilton, to see if the Kentucky, Skills U.S.A. members would be interested in raising money to purchase an HVAC unit. "When our students learned about this project they were very supportive of the idea," says principal Bob Martin. Thanks to the Kentucky Skills U.S.A. members, Lenville Martin, Bob Martin, and Jim Bob Hamilton, the lives of the Ecker family will once again return to normal. Elect

Timothy "Tim" Keeton For MORGAN COUNTY SHERIFF

Dear Friends,

I am determined to be your next Morgan County Sheriff because it's something I believe in, feel very strongly about and compelled to do. I know as well as many of you, that the drug problem has grown over the last few years. It has become a bigger problem than it was the last time I ran for Sheriff. I'm willing to work hard for all citizens and County, I will let the drug users and traffickers hear you, **I will let it be known, That we WILL NOT tolerate this criminal activity or any other in our community. I want Morgan Co. to be all that it can be, should be and a place where we all feel safe and a County we all can be, proud to call home.**

What happens in every corner of Morgan Co. affects all its citizens. There is no place for crime or illegal practices in our County. I will make every effort to close their doors, shut down their drug business and make sure they are brought to justice. Our County is tired of the drugs and the thieving. I will work diligently to resolve this problem. You will see the Results in the next 4 years!

Law enforcement starts with a strong leader. I pledge to you and our County that I will be a Strong and Dependable Leader and Sheriff, that you can rely on and one that can be reached day or night.

I promise to carry out the duties of Sheriff with Professionalism and with Dignity. I know I will make you a good Sheriff, a Sheriff you will be proud of.

For Your Next Morgan Co. Sheriff

VOTE for HONESTY, INTEGRITY And DETERMINATION.

VOTE for a man who will make Morgan County's GROWING DRUG PROBLEM a top priority of the Sheriff's Department. I won't tolerate or condone Drugs in our communities. Our citizens and children deserve to be Safe.

VOTE for a man that is a member of the NRA and Feels that it's the right of our law abiding citizens to bear firearms.

VOTE for the only Sheriff candidate that has attended 4 years of College, Majoring in Business Management at Morehead State University.

VOTE for a 24-hour Sheriff, to see that all our citizens and businessES are protected and get the response they rightfully deserve.

VOTE for someone who values family and cherishes children.

VOTE for a man who believes the Sheriff Dept. should also grow (like our population) to be more equipped and better able to deal with and carry out all the duties of the Sheriff and serve our community more efficiently.

"Vote Tim Keeton for Morgan Co. Sheriff"

Please Help me be your next Morgan Co. Sheriff and I'll be there to assist and protect you and our Community when you need help. I will work very hard professionally and honestly, to make our County a Safe, Happy and Peaceful place to live for You, Our Children, and Elderly.

I want to Thank All of you and Appreciate your Support, Encouragement and taking time out of your busy schedules in consideration of my candidacy.

Please Remember, To Vote on May 16th and Together we can make a difference for the future of Morgan Co.

Morgan teen is named 2006 Rogers Scholar

SOMERSET, KY – Bennett Standafer a sophomore at Morgan County High School, is one of 60 students selected to participate in The Center for Rural Development's Rogers Scholars program.

Rogers Scholars is a unique and exciting learning opportunity for a select group of juniors from 42 counties in Southern and Eastern Kentucky that was first envisioned by the program's namesake, Congressman Hal Rogers (KY-05). During each of the intensive, one-week sessions in June and July, 30 students participate in hands-on learning in engineering, video production, or information technology majors. Scholars also take part in entrepreneurial training sessions and get the opportunity to interact via videoconference and in person with some of the nation's most renowned speakers and business professionals.

During the week, scholars will be involved in exercises designed to build leadership and cooperative skills. "There will be serious instruction, but it will be presented in a fun, exciting, learning environment," says Lonnie Lawson, President and CEO of The Center. "Students will develop bonds and relationships they can carry throughout their lives."

According to Lawson, one of the most exciting aspects of the program is the individual community action plan. Brainstorming about the needs of their communities, scholars develop projects they take home and implement in their county. Previous successful projects include presenting a safety fair, beginning an entrepreneurial library, and organizing drug-free post-prom activities.

"We want to teach the young people of Southern and Eastern Kentucky confidence and skills, as well as inspire a deeper commitment to their hometowns and this region," explains Lawson.

Being chosen for Rogers Scholars involves a highly competitive process. "An essay, community and extra-curricular involvement, grade point average, and reference letters are all used in a blind scoring process that conceals the name, gender, and county of the applicant allowing their achievements to rise to the top," said Jessica Melton, The Center's Rogers Scholars program coordinator.

Standafer is the son of Jeff and Kim Standafer of West Liberty.

Words Of Wisdom

Success tends to go not to the person who is error free, because he also tends to be risk averse. Rather, it goes to the person who recognizes that life is pretty much a percentage business. It isn't making mistakes that's critical; it's correcting them and getting on with the principal task.

Line Up Set for Grayson's Memory Days

Grayson's Annual Community Celebration, Memory Days, is always held the last week of May, with the busiest day being the Saturday just before Memorial Day. This year's big day will be May 27 with over a dozen activities going on all around the town. Anchor events for over thirty years have been the Art in the City Park Show, a hundred unit parade and horseshow. But that date also holds a quilt show, children's games, ugly truck contest, a 'dog jog,' bluegrass music, reunions and a bake off contest.

A week earlier on May 20 the Memory Days Pageant is held at the high school and a golf scramble is held at the Carter Caves course. On Thursday, May 25 a store window decoration contest is held and opening ceremonies precede a poetry contest and awards are given for Mom and Dad of the year. Later that evening there is outdoor clogging and dancing and free music from the stage on the merchant's parking lot from

Wiley Dew, an acoustic Appalachian/Irish musical group. On Friday evening, May 26, rock and roll is featured from the stage. Throughout the festivities there are games and good food.

The theme since the events began is "Come to Grayson to Remember and Be Remembered." Each year a particular theme is selected and for 2006 the theme is "Young, Old and All Between," representing the inclusiveness people find in the small Carter County Community. A big city visitor strolling through downtown Grayson on last year's big day was heard to say he felt he had stepped into a Norman Rockwell print on the cover of the old Saturday Evening Post.

Legislators' claims are misleading

BY TONY FYFFE
Reprinted From
The Big Sandy News

We were quite amused at comments this week by Eastern Kentucky legislators who are upset with Gov. Ernie Fletcher's veto of coal severance projects in the state budget.

Sens. Johnny Ray Turner of Floyd County, Ray Jones of Pike County and Daniel Mongiardo of Perry County (and numerous others) accused the governor of playing politics by vetoing the projects, saying Fletcher is using them as a "slush fund" for political purposes like the Big Bad Wolf crying foul because Little Red Riding Hood outsmarted him and foiled his evil plans.

Not that Fletcher is any Little Red Riding Hood; the Republican governor plays politics as well, if not better, than his many Democratic predecessors.

And that's what frustrates Democrats Turner, Jones and Mongiardo.

Under Fletcher's plan for coal severance projects, county officials — judge executives, magistrates and commissioners — will have input into how their counties' coal severance money will be spent. That's not a bad idea, considering those officials know (or should know) the needs

OPINION

“For legislators to accuse another politician of using coal severance money for political purposes is like the Big Bad Wolfe crying foul because Little Red Riding Hood outsmarted him and foiled his evil plans.”

of their counties better than their legislators.

Shouldn't county officials already have an input in the process, you ask?

Yes, but often times it doesn't happen that way.

Turner, Jones and Mongiardo and other state legislators played a major role in deciding how coal-severance tax revenue would be spent in their districts. They claim they worked "very closely with local government" when drawing up their lists of

projects, and we'll take them at their word.

But we've known of times in the recent past when county officials in the region were not consulted by their legislators about coal severance projects, and their counties' money went to projects that were not considered high priorities by local elected officials.

Our point is this: Senators Turner, Jones and Mongiardo and all other state legislators know the importance of coal severance projects, not just to their constituents but to themselves as well. As their constituents' voice in Frankfort, legislators have determined how coal-severance tax money is spent, and they don't care to take credit for it either.

They won't be able to toot their horns under Fletcher's plan, and that's why they're outraged.

In a press release, Jones was quoted as saying, "The law keeps the Governor from taking the individual county money away from coal-producing counties, so he did the next best thing — he took control of the money away."

From whom has he taken control away, Sen. Jones?

The answer is obvious.

If coal-severance tax money is, indeed, used as campaign "slush funds," the state's lawmakers have been the beneficiaries.

District 4

During the past several weeks of my campaign for magistrate, I had the pleasure of meeting most of the people who live in district 4, Ezel and Chapel. I sincerely appreciate your friendliness and hospitality. As I told each one of you, if elected your magistrate I will visit the people of my district again to take notes of issues you wish to be addressed. I will be committed to the people in my district and I will listen with an open ear. I will always be

available to listen to any issues you feel need to be addressed and any new ideas concerning our district and our county. Again, I would like to thank each and everyone in the Ezel and Chapel district for their kindness and hospitality. Keep in mind when voting May 16 vote Shawn VanCleave for magistrate in district 4. Number two on the ballot, number one for the people.

CONSTABLE
District 3

Hello once again my name is Everett David Elliott, incumbent. Most of you know me as "David." As you know it is just a few days until election. I am running for Re-election for Constable in District 3 and Wrigley.

I have lived in Morgan County for the last 25 years. I am married to Eva Mae Elliott daughter of the late George Wesley Payton and Geneva Barker and stepdaughter of Willie Barker of Wrigley. My wife is employed at the Wrigley Elementary

School. We have 3 wonderful children Davy, Kasandra, and Erica Dawn.

I am employed at the Wrigley 7-711 where I have had the pleasure of meeting and getting to talk with most of you and a lot of you I have not. I would like to take this time to ask you for your vote on Election Day, your support will be greatly appreciated. If you have and questions or concerns, or would just like to talk to me about something, please feel free to call me anytime. Thank You for your time.

Twenty Six

By Sherry Bailey
May 1--Happy birthday to my baby brother, David Michael Smith, who is 35 years old today, May 1. I love you.
Sorry I haven't written for awhile. My platter has been pretty full in preparing tax returns and recuperating from my latest surgery. I had a torn rotator cuff (in my right shoulder) surgically repaired on March 1. My right arm was in a sling for four weeks from the date of surgery. It was pretty hard to do certain things since I am such a right-handed person. It really made my empathize with people who are paralyzed on one side or can't use but one hand. It's hard to believe how

many things you need both hands for, such as zipping slacks, tying shoes, brushing hair (especially trying to put it up in a ponytail, shampooing hair, etc. Just pulling my slacks up and trying to dress myself was a major chore. I felt sorry for my daughter and husband who had to help dress me and comb my hair. Of course I figured out a way to feed myself. I could probably manage to eat--even if I had to feed myself with my toes. Ha.
Get well wishes to Thelma McGuire who was hospitalized recently for pneumonia. She is out of the hospital and slowly improving.
I was happy to hear that Ryan Bowman, son of our neighbors, David and Janie Bowman, got

home safely from Iraq in February. He is the husband of Amy Elam Bowman. Ryan and his wife are residing at Lacy Creek. I know many prayers were offered for him to get back home to his family and I'm so thankful God answered those prayers.
Get well wishes to Greg Terry who has recently been treated for heart problems at Cincinnati. He had an outpatient procedure (ablation) performed to correct a defect in the electrical system in his heart. The surgery was successful and he is home and doing fine. His latest stress test came out normal and he has to follow up with his heart doctor this week.
Get well wishes to Kathy Sandford who suffered a heart attack on Good Friday. She had to

have a stint put into the main artery of her heart. I have the utmost respect for Kathy and Joe who opened their home on December 17, 2005, to their great-grandsons, Cody and Anthony Lagana (twins, age 10) and Christopher Moore (age 12). It is a big responsibility for retired people to start over raising children, but I'm sure the boys are very grateful for the loving home the Sandfords are providing.
I was very sad to hear about our neighbors, Wes and Robyn Tobias' 7-year-old daughter, Madison, being diagnosed with acute lymphoblastic leukemia. She was diagnosed in January of 2006. Madison has been going to Lexington three times a week for chemotherapy treatments, and

now she only has to go one time a week. She is supposed to get chemo treatments for approximately two more years.
I spoke with Robyn today and my heart broke to hear what their family has been going through since their daughter was diagnosed. Before Madison could be released from the hospital (back in January), they sent somebody from Lexington to check for mold in their home. Mold was throughout their home, even though the Tobiases couldn't see it and didn't know it was there. Part of their home was 'underground' and they had to have a bulldozer pull the dirt away from the house. Then, they had to completely gut their home. They had to take out the carpet, the dry-

wall, 2x4s, kitchen and bathroom cabinets and everything that was in the house. They had to put their furniture into storage, and then completely clean it before they could put it back in the house. She said they even had to throw out every bit of their food except for canned food. Robyn was very thankful for a couple fund-raisers (West Liberty Elementary School and the Norman Wright family) which raised almost nine thousand dollars, all of which had to go into getting the house mold-free for Madison. I asked Robyn if her homeowners insurance helped and she said that it didn't cover mold.

Since she had to leave her job to take care of her daughter and drive her back and forth to Lexington to the doctors, they have had to use credit cards to help pay for living expenses, including materials for the house. It sounded like their whole world has been turned upside down.

I don't know how many Christians read this column, but I'm hoping that quite a few will share my burden for the Tobiases and will dig into your pockets (as I will) and help this struggling family. Their address is 5920 Hwy. 772, West Liberty, Ky. 41472. If you go to a church, also ask your church if they can help. The Tobiases used to go to church, but she admitted they haven't been going for a while. Maybe if a few good people let the love of God shine through them, it will go a long way toward showing Wes and Robyn how much God still loves them and He is there for them through this dark and difficult time. Maybe even some of our local merchants could help. Most of all, the Tobiases desire your prayers that God will completely heal their daughter of leukemia, and remember their other daughter, Terra, in prayer as she sees what her parents and little sister are going through.

If you have any news you'd like included in the Twenty Six news, feel free to call me at 725-5200.

Natl. Healthcare Week activities at ARH though Friday

Activities are underway through Saturday, May 13, at Morgan County ARH as part of National Health Care Week, May 7-13. ARH invites the community to come take part in the fun activities

There will be a theme for each day of the week and employees will dress according to that day's theme: Thursday, May 11 is 50's Day and Friday, May 12 is Crazy Day.

Also during Healthcare Week, activities have been scheduled for employees and the community. Activities scheduled through the remainder of the week include:

On Friday, May 12, the hospital will be providing free screenings for the following: blood pressure, glucose, and cholesterol, in the front lobby of the hospital. During this event the hospital will have a silent basket auction filled with Mother's Day items to be bid upon. All funds raised will benefit the American Cancer Society.

Morgan County ARH encourages everyone to come and give their support during these fun activities. Relay for Life is an American Cancer Society event and your contribution is appreciated.

Marijuana plants seized by sheriff and State Police

Sheriff Mickey Whitt and State Police Trooper Brian Evans confiscated approximately 75 young marijuana plants at a residence in the Duck Creek/Blaze area on May 3.

Sheriff Whitt the young plants were likely being grown for transplantation in a less conspicuous location for harvest later this summer.

Fully grown, the plants would have a street value of more than \$1,000 per plant --or about \$75,000.

Whitt said arrest warrants are being sought in connection with the case.

He urges residents to notify his office or the Kentucky State Police with any information they may have about other marijuana production in the county.

Many plants are grown indoors or under some type of protective cover in the spring, Whitt said, and can often go undetected.

He said citizens with information concerning suspected marijuana operations or any other illegal drug activity should contact his office of the Kentucky State Police.

Did You Know?

Scientists tested 17,000 British schoolchildren who were 11-years-old. Testers found that nearsighted children appeared on the average to be about a year ahead of the overall group in such matters as arithmetic and general ability. A check of their records showed that even at the age 7, before they were fitted with glasses, they showed above-average intelligence.

11th annual Old Mill Bluegrass Festival planned for July 8 & 9

Old Mill Bluegrass Festival committee members--Lanny Franklin, Tike Franklin, Clara Jackson, Quentin Murphy, Linda Patrick, and Bill Trusty--have been busy the past several months planning for the 11th annual festival set for Saturday and Sunday, July 8th and 9th, in West Liberty's Old Mill Park.

This year's festival headliners will include The Dillards, Jesse McReynolds and the Virginia Boys, Wayne Lewis and the Cumberland Highlanders, and the Bluegrass Strangers.

Some may remember The Dillards, known as The Darlings on the Andy Griffith T.V. show. Two of the original members are still performing with the group.

Jesse McReynolds and his brother, the late Jim McReynolds, and the Virginia Boys played bluegrass shows and festivals all over the country and were well loved and respected entertainers. Jesse and his band continues to perform for bluegrass music fans everywhere.

Wayne Lewis and the Cumberland Highlanders, of RFD-TV, are newcomers to the

festival. Mr. Lewis, an Elliott County native, was instrumental in getting the Highlanders scheduled at this year's festival.

Another fine bluegrass group, the Bluegrass Strangers, from Quincy, Ky., are well known in the bluegrass music field. Mr. Jimmy Lykins, who heads up the Bluegrass Strangers, performs a lot of songs sung and recorded by the late Jimmy Martin with a remarkable likeness to Mr. Martin.

In addition to these, several local bluegrass bands will be performing during the two-day event.

An added attraction to this year's festival is the Bluegrass Bus Museum. The bus contains memorabilia from bluegrass artists dating back to the 1930s. Mr. Don Clark, owner of the bus, has been collecting items on display for the past 30 years. The bus, sponsored by the Martha White Company, is set up for fairs and festivals all over the United States. It will be at Old Mill Park both days of the festival.

Be sure to include the 11th annual Old Mill Bluegrass Festival

in your summer schedule. Over the years, the festival has been sponsored financially by a number of local businesses, organizations, and individuals. Thanks to all of the sponsors, the festival is free of charge to the public. Come and enjoy bluegrass music, dancing, visiting with old friends and making new ones.

Concessions will be available from local vendors during the weekend. Don't miss this great festival.

Ground rules for political advertising

The Licking Valley Courier welcomes all election campaign advertising.

The Courier's reputation as the most widely-read and trusted source of news and information about Morgan County has been built on two principles: 1. Strict adherence to responsible, fair and honest reporting with animosity toward none, and 2. Promotion of public harmony.

Accordingly, we will, as in the past, adhere to the following ground rules for political advertising:

1. We reserve the right to edit and/or to accept or reject any and all advertising copy that is submitted for publication.

2. No advertising that maligns or impugns the character of anyone will be accepted. Candidates who feel that their opponents are guilty of malfeasance, misfeasance, or breaking any law should present their case, if they have one, to the proper law enforcement agency or to the grand jury.

3. All political advertisements published by The Licking Valley Courier must be paid for in advance. There will be no exceptions.

It is our hope that candidates in the upcoming primary will use their campaign advertising to raise and discuss issues, to set forth in a positive manner their proposals for improving services to the people, and to inform the public of what they consider to be their qualifications for the offices they seek.

Tour de Morgan County

\$1,000.00 Classic car dice run to be held on June 17

A two-hour tour of northwestern Morgan County by old classic automobiles (1989 and older models) will be a project of the West Liberty Kiwanis Club and West Liberty Tourism Commission. This year, the club has decided to change their annual car show to a tour of scenic Morgan County. The annual Kiwanis-West Liberty Tourism Commission Motorcycle Dice Run will be held in later in the year.

The Tour de Morgan County Dice Run will be held Saturday, June 17. Cars will be on display from 10:00 a.m. to 12 noon, traveling through the Grassy Creek, Maytown, Pine Grove, Ezel, and Woodsbend areas of the county. This two hour drive will cover some of the more scenic parts of Morgan County (each year a different route will be chosen). There will be refreshment and rest stops along the way.

A fee of \$25.00 will be charged per car for a chance to win \$1,000.00 in prize money from three dice rolls. Only 1989 cars/trucks and older will be eligible.

Purpose of the event is twofold: to raise funds for children's

projects sponsored by the West Liberty Kiwanis Club and to show off scenic Morgan County. Besides local old car enthusiasts, contact is being made with car clubs in the Huntington-Ashland area, Lexington, Somerset and surrounding counties.

Contact Lynn Nickell, Tim Conley, Garry Elam, Jim Puckett, Rick Barker, or Bill Harper for information.

The West Liberty Police Department, in conjunction with state and other local law enforcement agencies, will participate May 14, 2006, through June 4, 2006, in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's It's Enforced" campaigns. During this period, patrols will focus greater attention on traffic violations, especially safety belt usage.

Voters can cast absentee ballots through May 15

Voters who plan to be unavailable for the May 16 Primary Election may vote by absentee ballot through May 15 at the Morga County Clerk's Office. The absentee voting machine is open in the Clerk's Office during regular business hours—8:00 a.m. through 4:00 p.m. Monday through Friday and from 8:00 a.m. until noon on Saturdays.

Junction News

By Kathy Bolin

May 8—Greetings from the Junction,

Next Tuesday Morgan County will be voting for our government officials. We as a community have the right to elect the officers that will be strong supports for our community. See you at the polls!

Also, on Sunday Mother's Day will be observed. Take the time to visit or call your mother let her know that you care. Happy Mother's Day to all of you mother's, I hope you enjoy your day.

I heard from a very reliable source this weekend that there are wedding Bells ringing on Coffee's Creek. Mike Cantrell and Alisha Barker became engaged last week and are now making plans for their upcoming marriage. Mike is the son of Gary and Delaine Cantrell and grandson of Ethel Bolin all of Coffee's Creek.

Herbert Wright was taken to ARH Hospital Wednesday Evening where he was diagnosed with a bout of pneumonia. He was released on Saturday and is now back at home and on the mend.

I would like to say "Hi" to Mondell and Jake Bradley; we have missed you at church. Hope you are doing okay.

Well, I guess I will close. I'll talk with you more next time.
